Foreword

After considerable effort on the part of many, Berwick has established itself firmly in the realm of Pennsylvania high schools. Skilled teachers and administrators gave us a well-planned curriculum and helped to mold and guide us through our golden years of high school. We, the class of 1964, hope to be worthy of their efforts.

We are about to face the challenges of an uncertain world--one with fears, famine and destruction, as well as one with unbelievable strides in science, medicine and industry. With God's help and the knowledge given us by our faculty, we are prepared to face these challenges and win a place for ourselves in the sun.

As nostalgic thoughts of our Alma Mater return to us in the future, let us refer to this yearbook as our golden moments, knowing that we left them to embark on our new and golden HORIZONS.

Dedication

We, the class of 1964, express our sincere appreciation to our class advisors for guidance and wise counseling during our three years at Berwick Senior High School.

To Mrs. Joan Sarisky and Mr. George Chebro for their tireless assistance in promoting class functions and for their unselfish devotion to our class, we dedicate HORIZONS 1964.

MRS. JOAN SARISKY

MR. GEORGE CHEBRO

Seniors

Class Poem

We leave these halls so dear to us
And all the friends we've made,
But with brave hearts we'll travel on,
Our strong foundations laid.

We can't forget the fun we've had
And all the hard work, too,
But even though our hearts are glad
We'll not forget the white and blue.

We'll not forget the things we've learned
Each day throughout the years,
And all the precious honors earned
Glow bright as graduation nears.

We cannot leave you Berwick High
Without a tear or two,
And so before we say good-bye,
We will a part of us to you.

Remember us with loving thoughts
And as new students pass your door,
Think fondly of the by-gone years
And of our class, of '64.

Sharon Avery

"The Class Song of '64"

WORDS BY
SHARON AVERY

MUSIC BY
MARY ANN BITTENBENDER

1. DEAR BER-WICK HIGH, WE'LL LEAVE YOU SOON AND THOUGH WE HATE TO GO WE
3. THE MEM-ORIES OF THE FOOT-BALL GAMES AND ALL THE DAN-CES, TOO WILL

GIVE TO YOU THIS LIT-TLE TUNE, AND PART OF US, YOU KNOW,
STAY WITH US FOR - EV - ER MORE!! AS WILL THE THOUGHT OF YOU,

2. ALL THE STRENGTH YOU'VE BUILT IN US WILL TAKE US TO LIFE'S PEAK
4. NOW IT'S TIME TO SAY GOOD-BYE AND AS OUR JOUR-NIES START

ALL YOUR HON - OR AND YOUR TRUST WILL MAKE US STRONG, NOT WEAK,
WITH A TEAR IN EV-ERY EYE, WE GIVE TO YOU OUR HEARTS,

ROW FOUR: Charles McAfee, Elwood Mowery, James Morri, Mrs. Paul.

Sophomores

Homeroom 7

ROW ONE: Dennis Hoag, Gail Hess, Suzanne Hartman, Phillis Force, Rosina Hess, Cathy Getty, Lucille Heacock, Rose Holloway, James Holloway. ROW TWO: Cheryl Gordon, Sharon Gunther, Diane Fritz, Nancy Grifasi, Toni Formando, Marian Harner, Evelyn Harrison, David Hess, Larry Fink, David Grassley. ROW THREE: Bob Hurr, Gerald Hill, Robert Gunther, Daniel Hartzel, James Hagenbuch, Jackson Gearhart, Walter Garrison, Bill Hargraves, Larry Gormley. ROW FOUR: Harold Harmon, Ted Hess, Edward Fink, Miss Marcinko.

All Sophomores are required to take a course in library science to help them learn the operation of our high school library.

Sophomores

Homeroom 8

ROW ONE: Donald Hosler, Margie Kilian, Wanda Houck, Joan Karchner, Joyce Hons, Cindy Knorr, Janet Kile, Barbara Hons, Steve Kalanich. ROW TWO: Lizbeth Kelchner, Joanne Jamison, Donna Kemmerer, Ruthann Huntingdon, Frances Knolls, Karen Hons, Pat Hons, Pat Hoze, Martha Kliss, Gloria Kolet. ROW THREE: Jesse Kerchner, Ray Keck, Martin Koch, Wayne Kemp, Terrence Kolet, Keith Hudelson, Darrell Jones, Dennis Kapuschinsky, Joe Hutton, Richard Kessler. ROW FOUR: Chris Klinger, Mr. Nash.

Homeroom 14

ROW ONE: Dolores Norce, Carol Ritter, Fay Rinehimer, Sonya Pypiak, Deborah Schuyler, Karen Richards, Kay Oblosser, Pearl Phillips, Rachael Pesca. ROW TWO: Bradley Oman, Charles Olah, Beverly Renninger, Betty Seely, Cherreden Ridall, Sharyn Powell, David Norris, Craig Ridall, Mardell Purcell, Maria Pellegrino. ROW THREE: Rolland Raber, Henry Reinbold, Louis Petty, Pamela Richards, Pamela Ratamess, Kathryn Rudy, Joanne Serafin, William Noss, Douglas Rhodes. ROW FOUR: Bonita Pecil, Harold Rhone.

Sophomores

Homeroom 15

ROW ONE: Lonnn Bogart, Eileen Summers, Gloria Stout, Mariann Talanca, Beth Ann Snyder, Cecilia Silvers, Sharon Steiner, Marian Switzer, Garner Travelpiece. ROW TWO: Harold Snyder, Howard Sherback, Brian Smith, Ed Silvetti, Robert Snavelly, Angelo Spezialetti, Carl Spangler, Donna Sweeney, Cathy Snyder, Miss Hidlay. ROW THREE: Greg Smethers, Craig Shepperly, Lane Smith, Ronald Slusser, Ronald Smith, Leo Talanca, James Shoemaker, Dawn Stout, Sylvia Silvetti. ROW FOUR: Craig Shotwell, Dave Swartz, Dave Stoker. ABSENT: Ernest Shearer.

We all enjoy the noon break in the cafeteria.

Sophomores

Homeroom 16

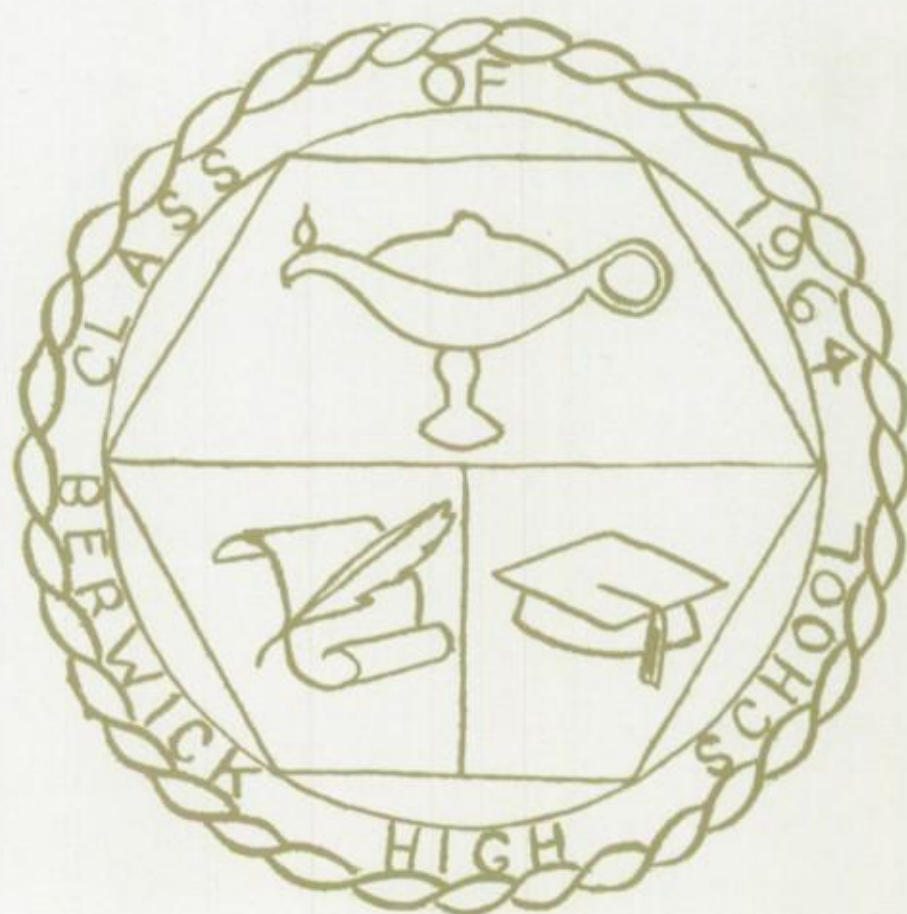

ROW ONE: Margaret Watkins, Judith Waltz, Linda Weatherill, Bonnie Yorks, Nancy Williams, Susan Trego, Jean Watkins, Marcia Zeek, Wayne Varner. ROW TWO: Eleine Vajda, Lorraine Uram, Darla Watts, Lemuel Whitmire, Sherry Wark, Susan Yendrytzka, Kathy Villa, Sharon Yalch, Peggy Tyson,

Thomas Waltz. ROW THREE: Dennis Whitko, David Varner, John Wellenhoffer, Robert Ulanoski, Harry Whitmire, Rolland Yohey, Linda Unger, Winifred Waldron, Monica Yohey, William Vezendy. ABSENT: Richard Venditti.

FACULTY

Guidance

Guidance is one of the most important phases in the high school career of every student at Berwick High School. We were exceptionally fortunate to have an excellent Guidance Department. Our Guidance Director, Mr. Ermish, has helped many college-bound students select the college that would best suit their needs.

The Guidance Department also helps many students obtain jobs. It also informs potential employers of the student's merits.

Mr. Ermish has kept up-to-date on all college requirements and rules which enables him to give invaluable guidance to every student.

MR. CARLETON ERMISH
Guidance Counselor

David Houck and Mr. Ermish
discuss Dave's plans for college.

Mr. Heller, assistant to the
guidance counselor, examines
files in the office.

Library

MRS. MARJORIE TEARPOCK
Librarian

Diana Wilson makes good use
of the Science Room.

Berwick Senior High School is one of the most comprehensive in the region. Its shelves contain over 6,000 books, of which 4,637 are non-fiction. In addition to this there are a great number of reference magazines on file ready to be produced at a moment's notice. The scope of these reference books embraces all the subjects studied in school, and a few more besides. Each book in the library is indexed in the Card Catalogue: a glance at this catalogue, and the student can go straight to his or her source of information.

The most valuable books in the library are the encyclopedias. There are five such volumes at the students disposal: Americana, Brittanica, World Book, Colliers, and Comptons. We have also a Dictionary of American Biography, a complete set of current Biography Yearbooks, and the Book of Popular Science.

Interested students are given the chance to learn the function and operation of a library by actually working behind the desk. Volunteer student librarians use their study halls for this purpose. They are of great assistance to Librarian Mrs. Tearpock in helping students find books they need and in keeping the place tidy.

The library has a seating accommodation of sixty, enabling a large number to benefit from it daily. The library is perhaps most beneficial to science students. It contains many reference books on biology in particular, and on the rest of the sciences, in general.

Mrs. Tearpock instructs a
sophomore class in the use
of the library.

Mr. Rhodes often used slides in the presentation of the lesson. He is here showing seniors a shot of Westminster Bridge.

English

English II students were mainly concerned with the study of "Ben Hur," "Silas Marner," and a grounding in the basics of the language. The Juniors progressed to the classics of American Literature as in *The Scarlet Letter*, and *Moby Dick*. The Senior Class completed an intensive study of English Literature including "Jane Eyre," "Pride and Prejudice," and "Hamlet." Seniors, also, had an opportunity to take a course in English Composition, this was completely optional and personal instruction was given in their free time. English at BHS has become a very interesting subject. The new methods of teaching combined with

new and more varied subject matter have added much to the interest. English and American literature have combined the historical and literary significance of the works that are studied. For example, in English literature we traced the development of the English language from its beginning of the Anglo-Saxon times to the present day. This was also combined with a brief history of Great Britain. These new developments and our excellent faculty combined to give BHS students a very comprehensive knowledge of the classical literature of the United States and Great Britain, and an excellent usage of English grammar.

American Literature

Science

The students of Berwick High School are very fortunate in having a broad selection of science courses. These are selected according to the needs of the student's further education.

Biology I gave us our first study of life processes of plants and animals. Biology II, an advanced course, was a detailed description of the forms of life.

In Chemistry, which is a necessary subject for those who anticipate going to college, we gained basic knowledge of the elements. In the lab we learned how these elements react together to form compounds.

Physics is the study of the world around us. In this class we studied various concepts of motion, matter, and forces and in the lab we experimented and proved problems.

Senior Science, a general science course, provided the student with a knowledge of basic facts from a combination of the sciences.

Participation in the local science fair was required of all science students, with the best exhibits being sent for display at the regional science fair at Bucknell Univ.

The scientific knowledge gained by those taking these courses, prepared many for college, and for others it gave them more information about the world in which we live.

ALLEN TURNER
Biology II

RICHARD RIMPLE
Senior Science
General Math I, II
Wrestling Coach

Horvat! Don't be a parasite. Get your work done!

JOHN FLETCHER
Biology I
Dramatics Advisor

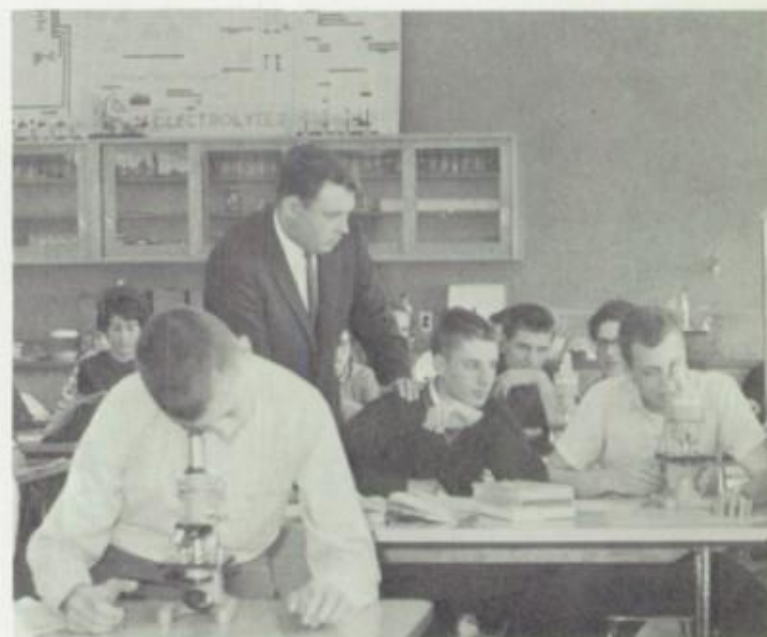

THOMAS HARTMAN
Chemistry

Mr. Rimple explains the "anatomy of an atom."

"What do you see Jim," asks Mr. Fletcher.

MR. ANTHONY CIAMPI
Problems of American
Democracy
American History

MR. GERALD C. HITTLE
American History

MR. EDWARD L. BERLIN
American History
World History & Culture

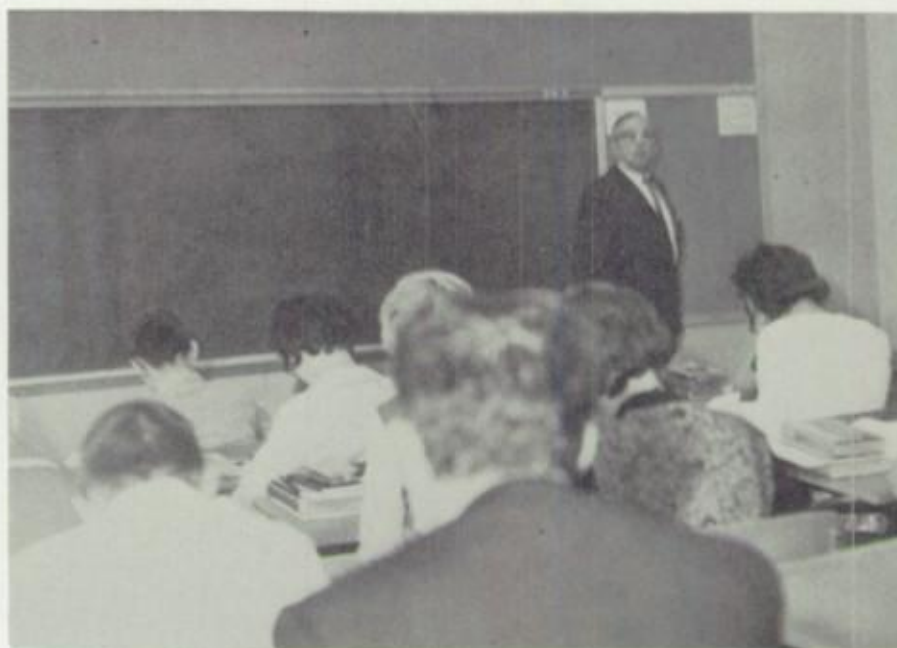

Mr. Ciampi explains one of
the many educational posters
in the room to Jinny Foster
and a P.O.D. class.

Mr. Smith's Problems of
American Democracy class
studies the business cycle and
economic instability.

MR. DELMAR SMITH
Problems of Democracy

"What were the main reasons for the fall of Athens?"
asks Mr. Banghart.

Social Studies

It has been said that history repeats itself. This is only one of the reasons that we take courses in Social Studies. If we are able to understand the things that have happened in the past we will be better equipped to face the events of the future.

Many courses are offered at Berwick in Social studies. Sophomores are required to take a course in World History and Culture. In this course they gain a better insight in the problems that have occurred

around the world. Juniors must take a course in American History. American History helps the student to understand how the country was founded and its development. The study of Problems of American Democracy has been made mandatory for all Seniors. This course tells of the problems and principles of our great nation.

When students have completed these courses they should be very able to meet the challenges of the future, while they are aware of the events of the past.

MR. LEE W. BANGHART
World History and Culture

Miss Hidlay instructs a French class in the fundamentals of the language.

CLARISSA B.
HIDLAY
French I, II, III
Spanish I, II

Languages

B.H.S. offers an extensive choice of foreign languages - a total of five--which can be continued through a maximum of three years of study. These languages include: Latin, French, Spanish, Russian, and German.

Students are taught to read, write, speak and interpret the modern languages. Latin, which is a classical language, stresses reading and writing. In addition, students learn about the culture and customs of the various countries. In modern language

studies, a student is given an opportunity to develop greater insight and understanding of different peoples and nations.

Each year more language aids are used to facilitate learning. Some of these audio-visual aids include: records, tape recordings, slides and film strips.

The mastery of a foreign language is difficult to achieve, but our capable teachers are always willing to help and encourage any student who has a sincere desire to learn.

MARY
MATZKO

Mathematical Analysis

MR. GEORGE CHEBRO
Algebra II
General Mathematics I
"64" Class Advisor

MRS. BEATRICE BRADER
Algebra II
General Mathematics II

Mathematics

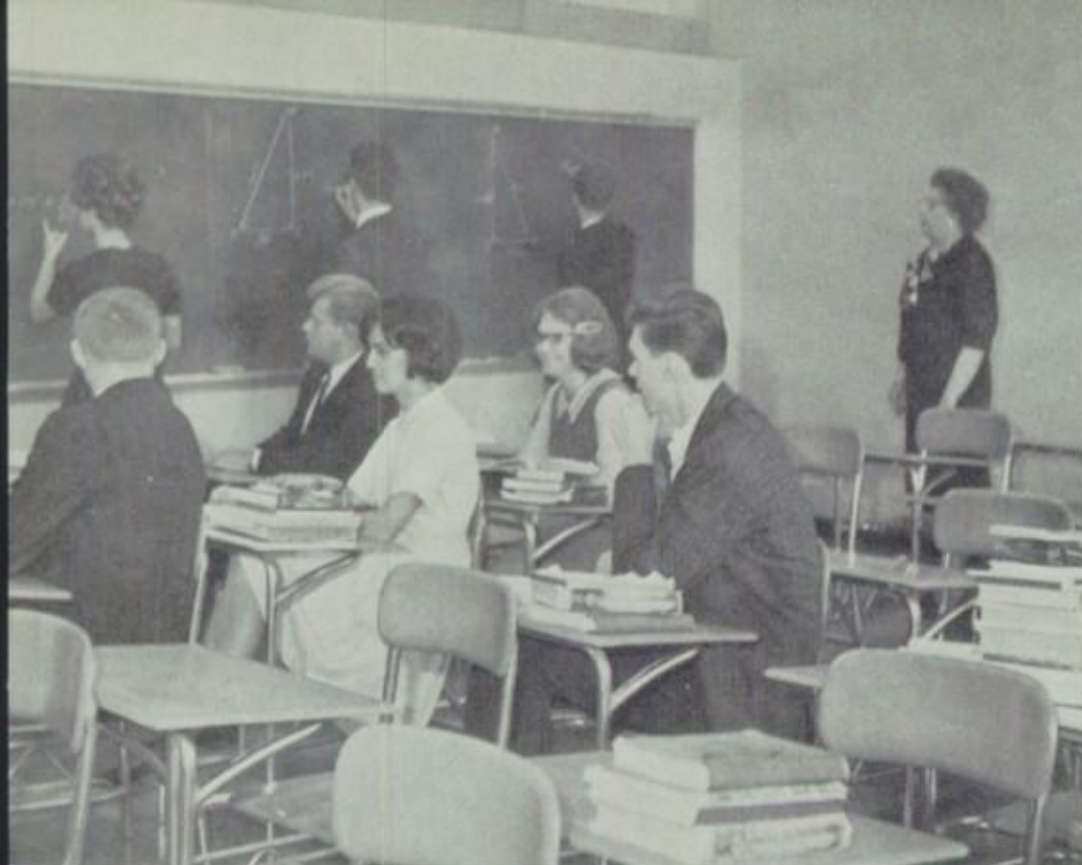

The students of Berwick High School receive excellent preparation in mathematics for use in college and everyday life. The B.H.S. mathematics program is varied in order to interest every student in every curriculum. Algebra II, Plane Geometry, one half year of Trigonometry, and one half year of Mathematical Analysis constitute the academic mathematical series. General Mathematics I and II are also offered to students of Berwick High School. The fundamentals which are taught in these subjects can be readily adapted to everyday use.

Everyone seems to have a liking for the science of quantities and magnitudes. Mathematics teaches concentration and self-discipline. It was believed in Elizabethan times that mathematics could teach daydreamers self-discipline by keeping their minds busy. The fine mathematics program at Berwick High School expands our capacity to think clearly and reason things out for ourselves.

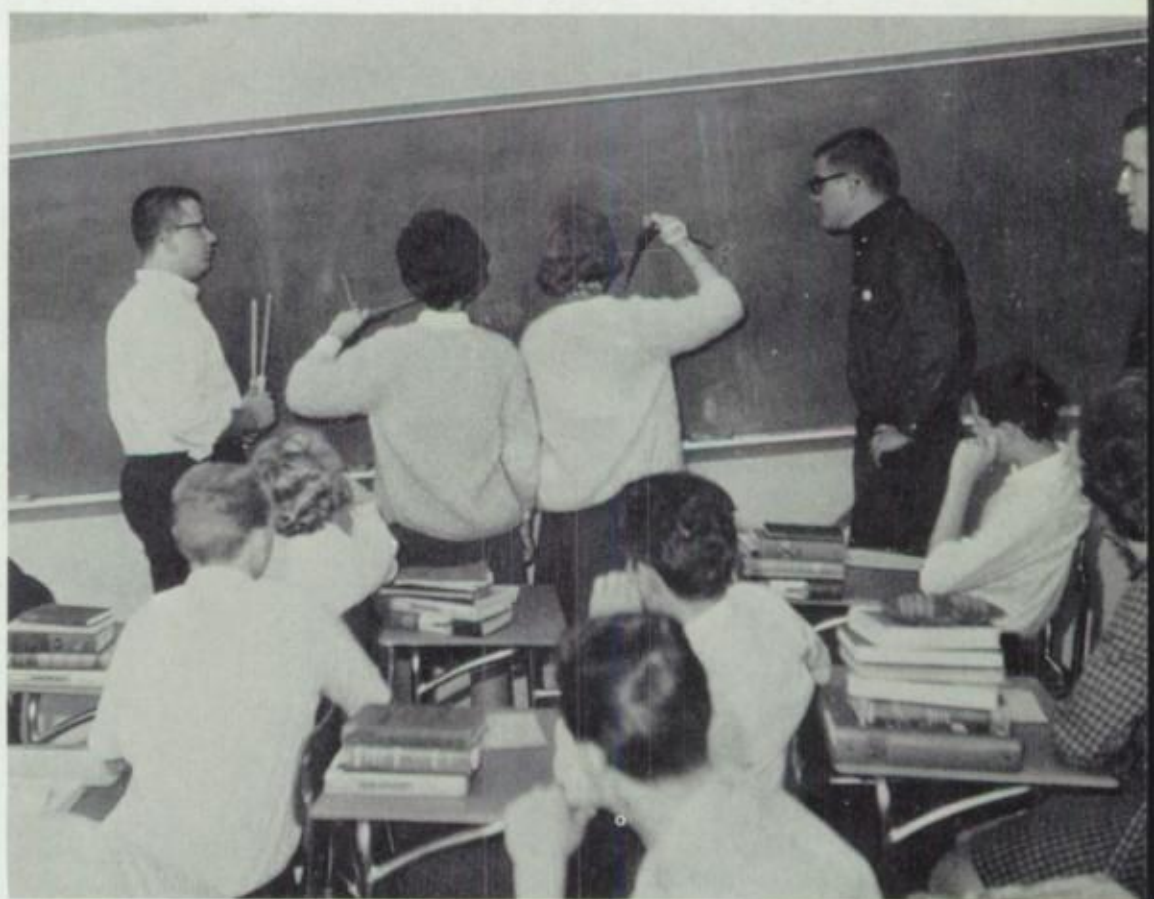

Plane Geometry students study plane figures such as triangles and circles. Algebra II deals with the basic algebraic principles and Trigonometry covers logarithms and finding sides and angles of triangles. Mathematic Analysis provides a review of algebra, a study of analytic and solid geometry, and a study of calculus.

DALE KROTHER
Algebra II
Plane Geometry

Miss Harter shows the students how to solve triangles using trigonometric functions.

In plane geometry Mr. Krothe instructs the students in bisecting a line segment.

Mrs. Brader's class works diligently with fractional unknowns.

MR. PAUL KLINGER
Office Practice
Shorthand I & II

Notehand
Cafeteria Manager

CAROLE COOLBAUGH
Shorthand I
Business English

Business Education

The Business Education course offered at Berwick High School prepares the student directly for an active life. This curriculum consists of the following courses: Shorthand I & II, Typing I & II, Bookkeeping I & II, Business Mathematics, Business English, Business Law, and Office Practice. All of these studies contribute to a general understanding of our business and economic system.

Miss Carole Coolbaugh has organized a Business Education Club. This new club's aims are to provide business students with an extra-curricular activity that they otherwise would not be acquainted with. Though

speakers such as Dr. Tomme from Bloomsburg State College, members are able to keep abreast with current business procedures.

Our Business Department has advanced greatly in recent years. The Basic Data Processing System, which is to be added to the course next year, will help continue this advancement in the years to come. This Data Processing System will include: language key punch operations, general instructions, and understanding of Data Processing Systems integrated with Office Practice.

Mr. Klinger helps an advanced typing class increase its speed.

Keep practicing Willis and you might hit sixty words per minute by graduation.

MURRAY D. WATTS
Bookkeeping I & II
Business Law

WILLIAM L. BOWER

Bookkeeping I
Business Mathematics

MICHAEL LYLO
Typing I & II
Business Procedures
Faculty Treasurer of Athletics

Mr. Watts makes sure that all the students can balance their books.

Miss Coolbaugh is explaining to the class the values of the perfect business letter.

Vocational Industrial Education

For the student who possesses the attitude and aptitude, Berwick High School offers training in the areas of Auto Mechanics, Carpentry, Machine Shop and Sheet Metal. When a student is accepted for one of the courses, he obligates himself to a schedule that requires one-half of his time in the shop and one-half in his required academic classes. Drafting is part of the required program for each student in the department.

With the current demand for people in the skilled trade areas, the objective of this department is to provide an education that will make the young man employable upon graduation from high school. With the trend toward a post high school technical education, these graduates will possess an experience gained while in school and coupled with employment that will better qualify them for further training in trade and technical education if they so desire.

Berwick is the only school in the Columbia-Montour County area that offers the vocational industrial curriculum. Thirty-three members of this graduating class have received training in this department.

ROBERT H. BINKLEY
Director of Vocational and Adult Education

DONALD W. SHERMAN
Carpentry

While others are nailing on the sheathing, Dave Lieby is setting a door frame. The house, built by junior and senior boys will be completed by installing windows, doors, sheet rock, inside and outside finish. The framing was begun last year and will be completed this year.

ERNEST BAILEY
Drafting I, II, III

Mr. Golder instructs a Theory class in Machine Shop. The sophomores and juniors have this class twice a week while the seniors have it once.

Boys of the Machine Shop receive practical training on lathes, shapers, grinders, milling machines, and bench work.

The Automotive Shop boys are doing a major overhaul job on a "fork lift" for the Berwick Industrial Development Association. Steve DePaul gets the chain and hook ready for the lifting.

FLORENCE SHAFFER
Vocational Home
Economics I, II, III

Vocational Home Economics

The modern home economic facilities in our high school provide an excellent atmosphere for the girls to become efficient, self-reliant, homemakers. The facilities provide a homelike atmosphere that makes for better learning.

There are many different aspects to the course. All senior girls that are enrolled must take a course in family relations that will aid them in their next several years. Every year the juniors who are enrolled must prepare a buffet luncheon as a valuable part of their training in the preparation of food. Students are also taught the economics of home keeping and how to stay within their budgets. Miss Florence Shaffer, who is their very able instructor, guides them in these endeavors.

The Home Economics department periodically presents displays in the showcase near their suite. These displays are both beautiful and informative.

The girls who graduate from this course will help to make the future American Family, a close knit, capable, and productive unit.

The girls are taught to make the home a beautiful as well as a practical unit.

One of Miss Shaffer's student teachers is instructing the girls in the field of economics.

Art

Art at B.H.S. is one of the most interesting and refreshing courses offered. Under the capable supervision of Miss Arlene Hetler the students receive instruction in drawing, creative work, leather work, weaving, and woodcraft. Students also are taught to use colored pencils, tempera, and pastels correctly. If a student is exceptionally gifted in art, he is encouraged to branch out into various other fields.

General art and related art are taught to many students at B.H.S. One can take art in all three years of high school. Usually related art, which is more advanced, is taken in the third year. These elements all combine to make the art course at B.H.S. truly outstanding.

ARLENE R. HETLER
General Art
Related Art

Here students work in Miss Hetler's art class in fundamental drawing.

Creative work is an important part of art and these students attempt to become efficient in it.

Boys' Health

Berwick High School students completing the Boys' Health course should be fully qualified to administer first aid in any emergency which might arise. Under the direction of Mr. Leo Ratamess our junior boys are thoroughly taught the various types of cravats, bandage wraps, and splints used in emergency situations. Much class time is spent in the practice of applying these and many students become quite proficient. The students are also instructed in methods of improvising, since ideal equipment is seldom found near the scene of an accident. Pupils are taught how to construct a make-shift stretcher from two poles and blankets as well as how to carry a standard litter.

The treatments of the various types of wounds and wild animal bites plus the control of serious bleeding occupy the early part of the year. Also during the first few months the students are well drilled in several methods of artificial respiration. Symptoms of various diseases, their treatments and preventions are studied, providing the students with a fundamental knowledge of community health.

When the student applies himself, the information he acquires is priceless.

The boys learn the method of artificial respiration and as shown here actually practice it in the classroom to achieve greater efficiency.

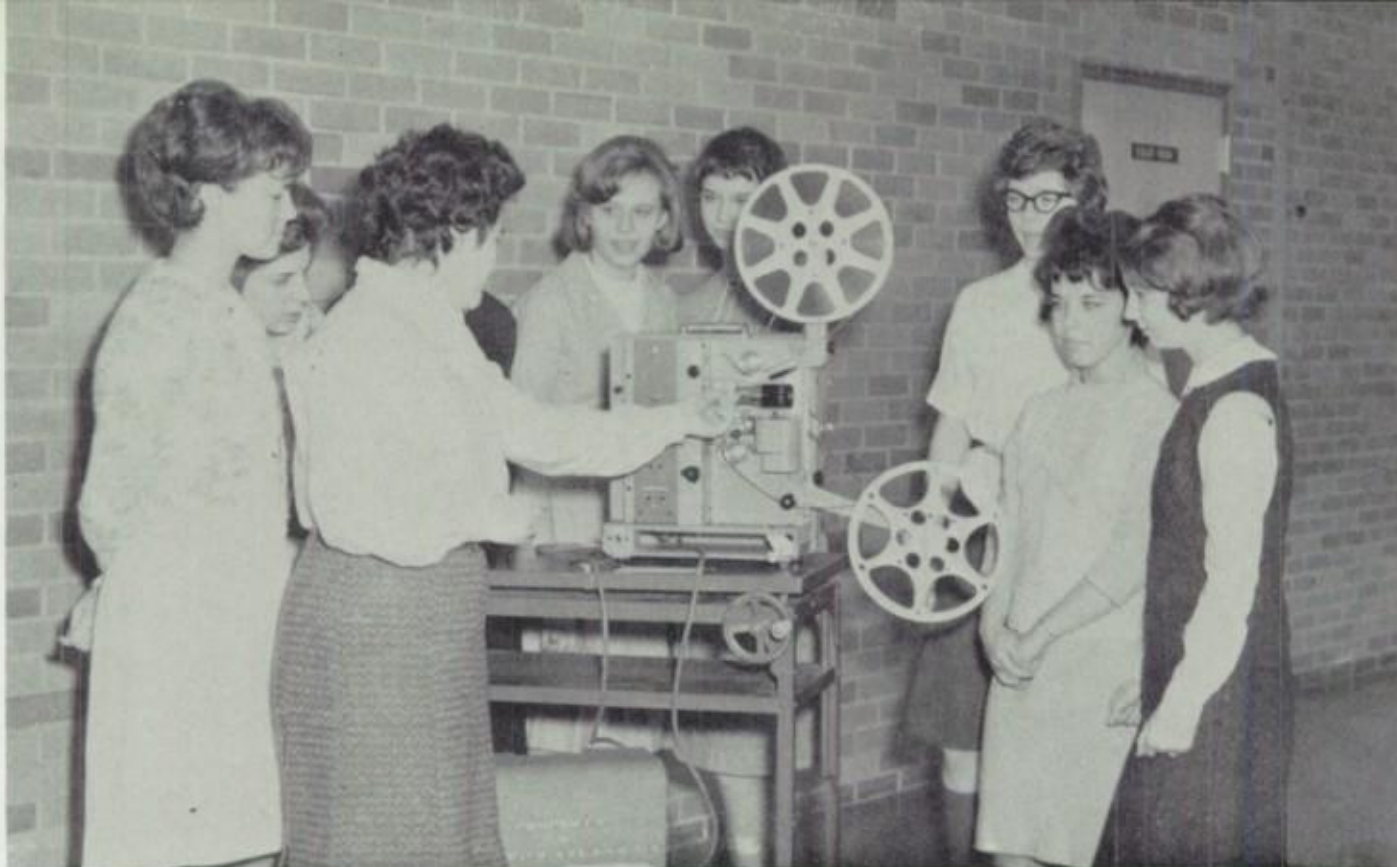

MR. LEO C. RATAMESS
Boys' Health

More practice in artificial respiration--a lifesaving technique of great importance.

Girls' Health Science class projectionists are trained to operate a 16 mm movie projector at the beginning of each school term by their teacher, Mrs. Henrie. Projectionists for the 1963-'64 term are pictured above from left to right: Joyce Jarrard, Jean Kishbaugh, Bettie Detjen, Carol Moore, Pam Smith, Emily Cooke, and Jane Boyle. Patricia Strunk is to the right of Bettie Detjen, but not in view. Linda Adams and Carol Kerlish could not be present for the picture.

Girls' Health

Health is compulsory to all students in their junior year. The Girls' Health department is headed by Mrs. Betty Henrie, who is well trained and educated for this service.

During the first semester of the 1963-1964 term, Mrs. Henrie presented the course of Home Nursing. Home Nursing was a course which aided many girls in coming to a definite decision in choosing nursing as a career. Bed making, bathing a patient, administering medicines, and keeping charts and records were a few of the skills taught.

The second semester was devoted to the course of First Aid. This course was mostly practical work which included bandaging, proper transportation methods, and various

other studies such as anatomy and physiology.

Each course was made more interesting by the viewing of several films on the subjects being studied at the time. These films were secured from the Pennsylvania Department of Health in Harrisburg.

At the completion of each course, each student received a standard Red Cross First Aid Certificate and a Red Cross Home Nursing Certificate from the Red Cross, which may be of help to some in the future. The training received in First Aid and Home Nursing is always invaluable in the home and community, especially at the time of disaster.

Sharon Avery and Donna Rehkop explain their winning health science projects to a health class. Along with many local awards the girls also won much acclaim at the Bucknell University Science Fair where Donna received a trophy, a silver bowl, and a set of science books for her outstanding project. P.P. & L. also sent her along with other winners from all over the United States.

MRS. BETTY HENRIE
Girls' Physical Education
Girls' Health

MR. GILBERT HENRIE
Driver Education

Driver Education

One of the most popular courses offered at B.H.S. is the Driver Education course. The course is given in two semesters. The first semester is used for the study of the theory of driving and the second semester is used for practical training in driving. There are two periods a week offered in actual driving and two in the theory of driving.

Theory consists of studying the mechanics of automobiles, vehicle regulations, and safe driving techniques; however, most students agree that the actual driving is the most exciting. At the completion of the course, providing a student has passed his motor vehicle test, a student is eligible for reduced insurance rates.

Driver education is offered in the hope of teaching students to become drivers who will practice safety, courtesy, and co-operation.

Mr. Henrie instructs Don Lowery in the various parts of the motor.

Others, George Uram, Donald Lowery, and Charles Shelhamer, now join the instruction to help them understand the engine.

Speech Correction

John Strong, Tony Rado, and Mike Onufrak make use of a tape recorder to improve their speech.

Speech is the most important element used in everyday life because correct communication is so important in our modern world. The speech correction course offered at BHS is very adequate in every respect to provide the needed guidance in this area.

Individual students are given attention in their personal speech problems with emphasis on timing, intensification, tone, and pitch. Regional dialects and faulty emphasis are also studied. Foreign speech studies give the students an insight to the problems of phonetics in other languages. These studies help many students to over-

come their speech problems.

To learn to speak correctly a student is taught to become aware of certain procedures that must be mastered, cautions to be observed, and material that should be practiced persistently. Certain tests must also be passed concerning articulation, complex attributes, and voice quality. The student also receives therapeutic technique assistance to help him solve his problem. There is no other course as valuable in later life to the student, who has chosen it, as speech correction.

A. M. MARGARET H. RICHARDS
Speech Correction

The period 7 class plays a game of cage ball--object is to keep the ball in the air!

MRS. BETTY COLLINS HENRIE
Chairman Health Service
Committee
Girls' Physical Education
Director
Girls' Health Science

Girls' Physical Education

The girls' senior high school physical education course is designed toward constructive body building and fitness and is primarily guided by the physiological and esthetic needs of each girl. Physical education is a required course for all 10th, 11th, and 12th grade students. The course is flexible and allowance is made for individual adaptive and corrective

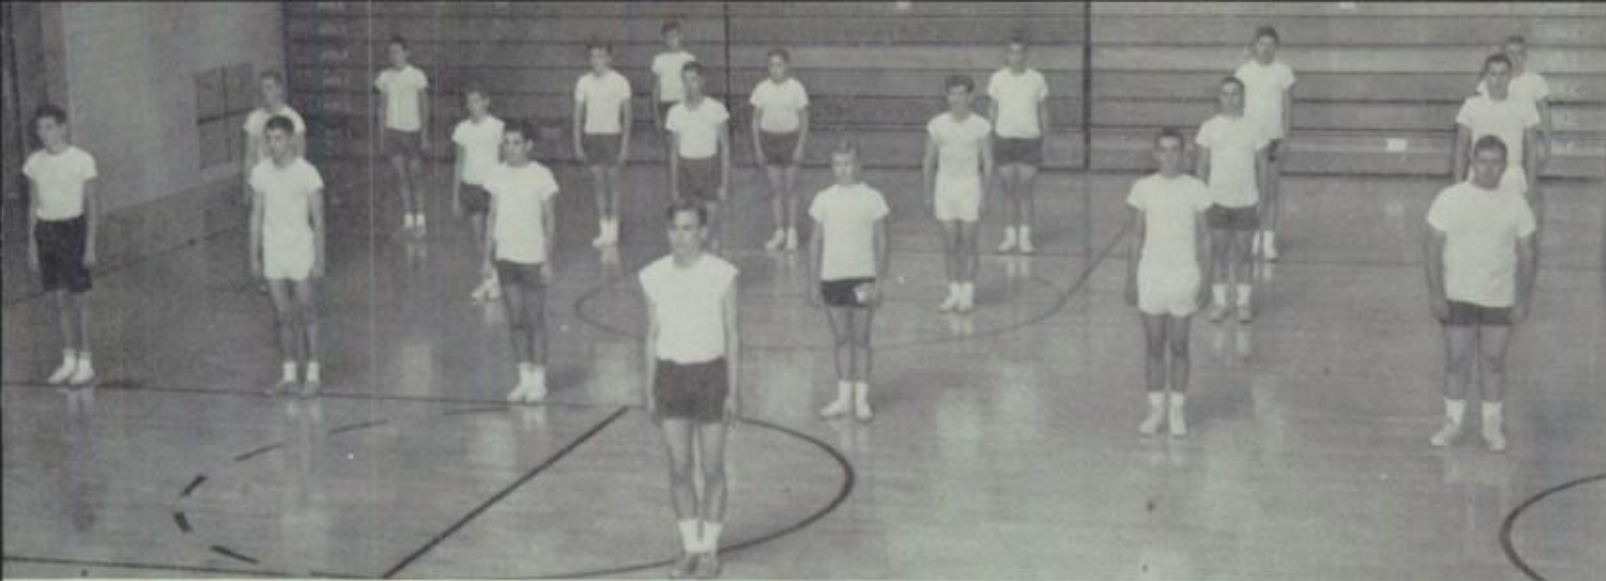

programs when the anatomical structure or medical status of the pupil necessitates this discretion. The aim of girls' physical education is to influence the experiences of the students to the extent that each individual within the limits of her capacity may be helped to adjust successfully to society, to satisfy her wants without annoying or trespassing on the rights of others.

MRS. MADGE JONES
Physical Education Aid

Mrs. Jones' class reviews the starting positions for the 50 yard dash. On your mark, get set, go!

Discipline of the body
is needed for physical
development.

ADAM C. SIEMINSKI
Physical Education
Football Coach
Basketball Coach

Physical Education

Physical education must be taken by all the boys in all the classes at least two times a week. The program consists of many varied activities.

In the beginning of the year the students were required to do various exercises to get their bodies in shape. Students were also allowed to use a weight room to help develop their bodies.

All the physical training, however, was not as vigorous. Other activities included: softball, volleyball, basketball, skills on the horse, tumbling, track and field events, and other competitive games.

This type of physical exercise helps to give our students the fit, trim bodies that they will need in the future.

The boys really grunted
and groaned those first
two six weeks.

MRS. EVELYN FEDIN, R. N., B. S.
School Nurse

Nurses' Suite

The nursing department helps us to safeguard the health of our bodies. Mrs. Evelyn Fedin is responsible for the physical welfare of the students while they are in school. She sets the health environment of the school through counseling on sanitation and health hazards in the school.

During our years in high school, the nurses examine our eyes and ears to insure our better hearing and vision. Once in our high school years we are required to take a tuberculosis test. This is, also, a valuable asset to our health.

In our junior year, physical examinations are given to us by the school doctor, Dr. Matzko. Examining students, however, is only one part of the nurses' duties. Mrs. Fedin is, also, on duty in her office to take care of the sick or injured students.

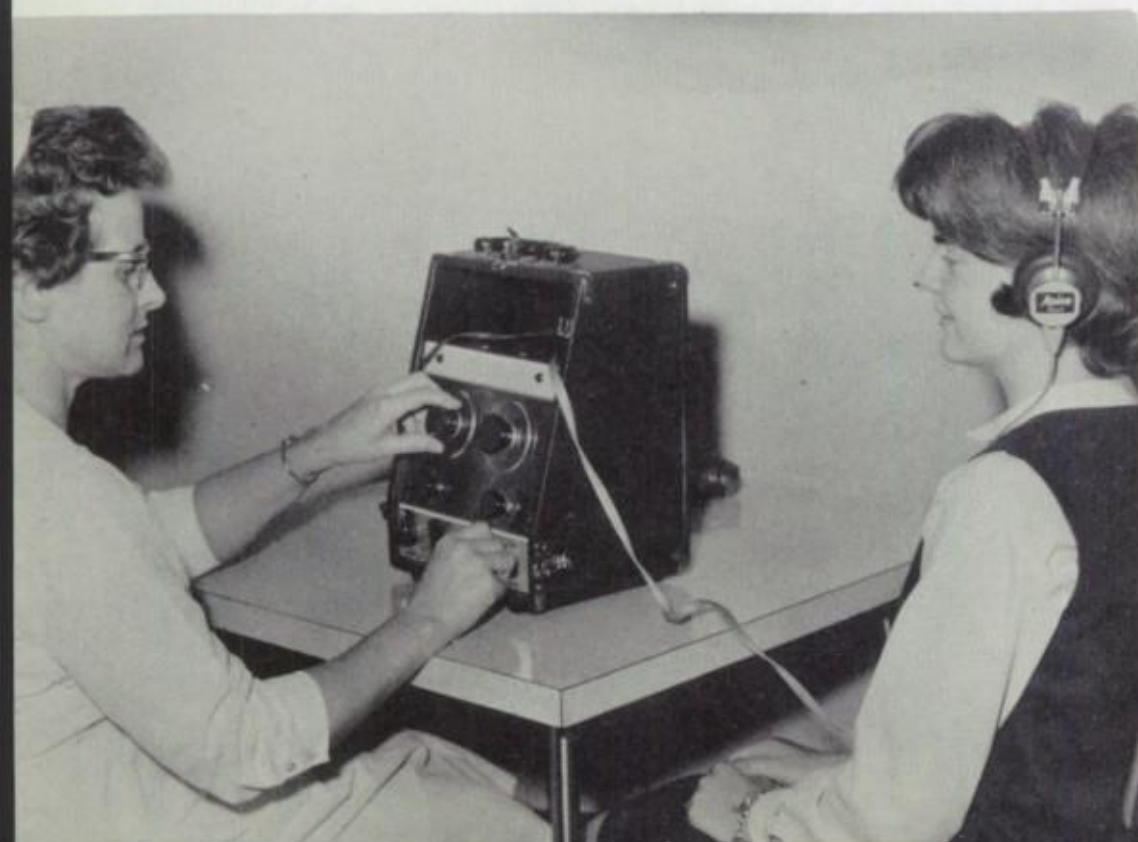

With the death of Mrs. Harriet Auker, November 9, 1963, school nurse for 21 years, Mrs. Fedin became the high school nurse.

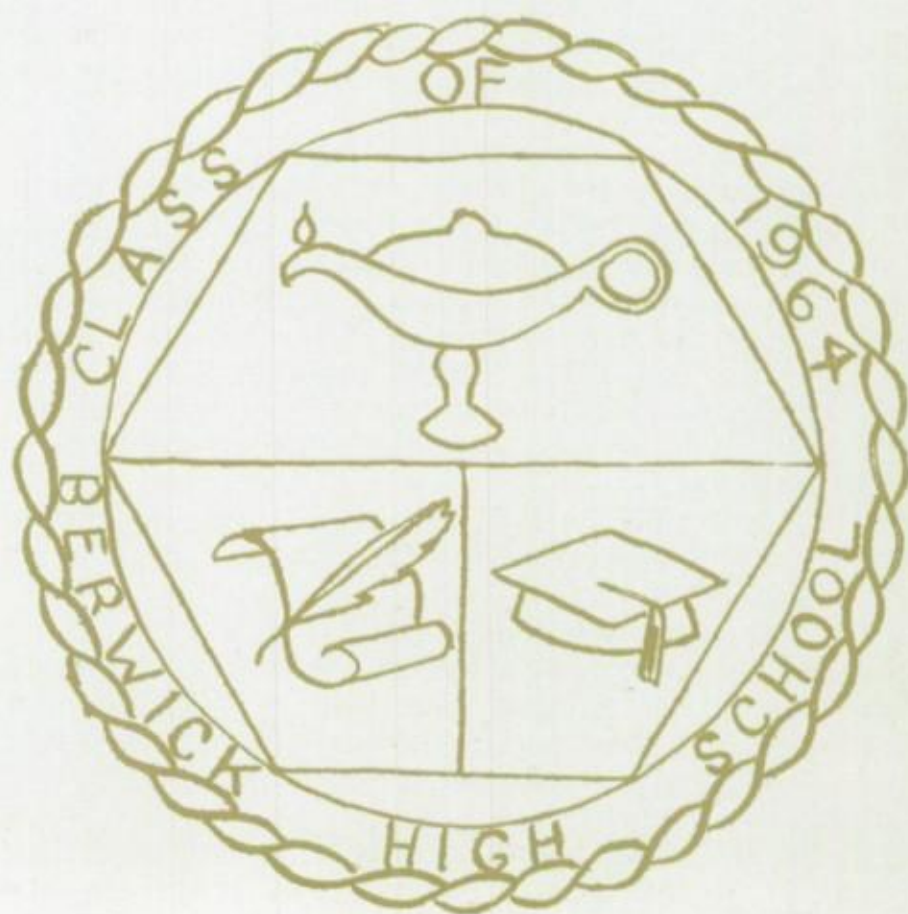

Mrs. Fedin is testing Jane Boyer's eyes with the aid of the Snellen's Eye Chart. "Cover your left eye and point the way the letter E points as I show them to you."

MRS. HARRIET C. AUKER
School Nurse

With the use of the Audiometer, Mrs. Fedin checks Jane's ears. "Jane, when you hear sound in the earphones, put your hand up."

ORGANIZATIONS

HORIZONS STAFF. ROW ONE: Terry Vial, asst. sports editor; Greg Price, sports editor; Bill Patrick, editor; Craig Sponenberg, copy editor; Mrs. Evelyn Brosious, Horizon's advisor. ROW TWO: Natalie Neddoff, Nancy

Wark, Karen Edburgh, Jo-Ann MacHutchin, Linda Jones, Jean Dunn, Carol Benintende. ROW THREE: Bonnie Wallos, Gloria Janisik, Mary Sacco, Janet Fulmer, Carl Sponenberg.

Horizons

The HORIZONS yearbook has been a very special job this year. The book is the biggest ever published by a senior class and the job connected with it was also proportionately the largest.

William Patrick, the editor, and Craig Sponenberg, copy editor, worked many hours compiling the book. Greg Price, sports editor, and Terry Vial, assistant, started compiling scores and pictures during the spring of 1963.

The book this year has many new features. Full color pictures were used for the first time in the history of the school. Spot color is also used throughout the book to add color and interest.

The emblem that was used in the book this year was designed by the yearbook artist, Karen Yeager.

The Berwick High School Camera Club helped the yearbook this year by taking some of the pictures needed for the book. Do you remember those kids running around the halls with cameras? Now you know what they were doing.

Mrs. Evelyn Brosious was the advisor this year and as usual has done a terrific job.

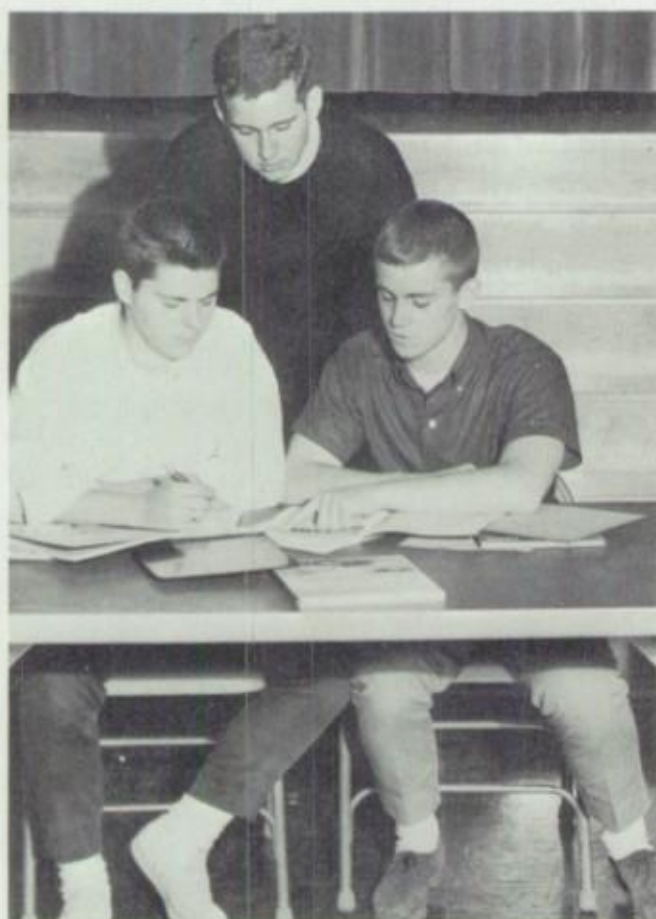

The book was done by a real team effort. It was done to make this year's HORIZONS the brightest ever.

Carl Sponenberg and Bill Patrick plan layout for the yearbook while Craig Sponenberg and Janet Fulmer examine senior pages.

Sports editor, Greg Price, and assistant, Terry Vial, help Bill plan the sports edition of the yearbook.

Karen Yeager, yearbook artist, works on the yearbook seal while Bill Patrick, Mrs. Brosious, advisor, and Craig Sponenberg look on.

Typists, Diane Jurbala, Sheri Samsel, Brenda Eyerly, Diane Slusser, Marian Smith and Mary Ann Nicklo are working hard on their assignments. Sandra Grassly, head typist, was absent when the picture was taken.

Editor Mary Margavitch and co-editor Ann Dalto listen while Mr. Foley explains the linotype machine. Mr. Rhodes, advisor, looks on.

Paper

The editor of the Blue and White Student Times was Mary Margavitch. She was well assisted by her co-editor Ann Dalto.

Business Manager, Lynda Jones, worked diligently to secure the backing of the local businesses. Also doing a fine job on the staff was Jean Dunn, Feature Editor.

All the activities around Berwick and the other schools were well covered by the Exchange Editor, Joann MacHutchin. Kaye Goss was the News Editor and Sharon Avery the Association editor.

Judy Bower did an excellent job of pre-viewing the fashion fads for the school year as Fashion Editor.

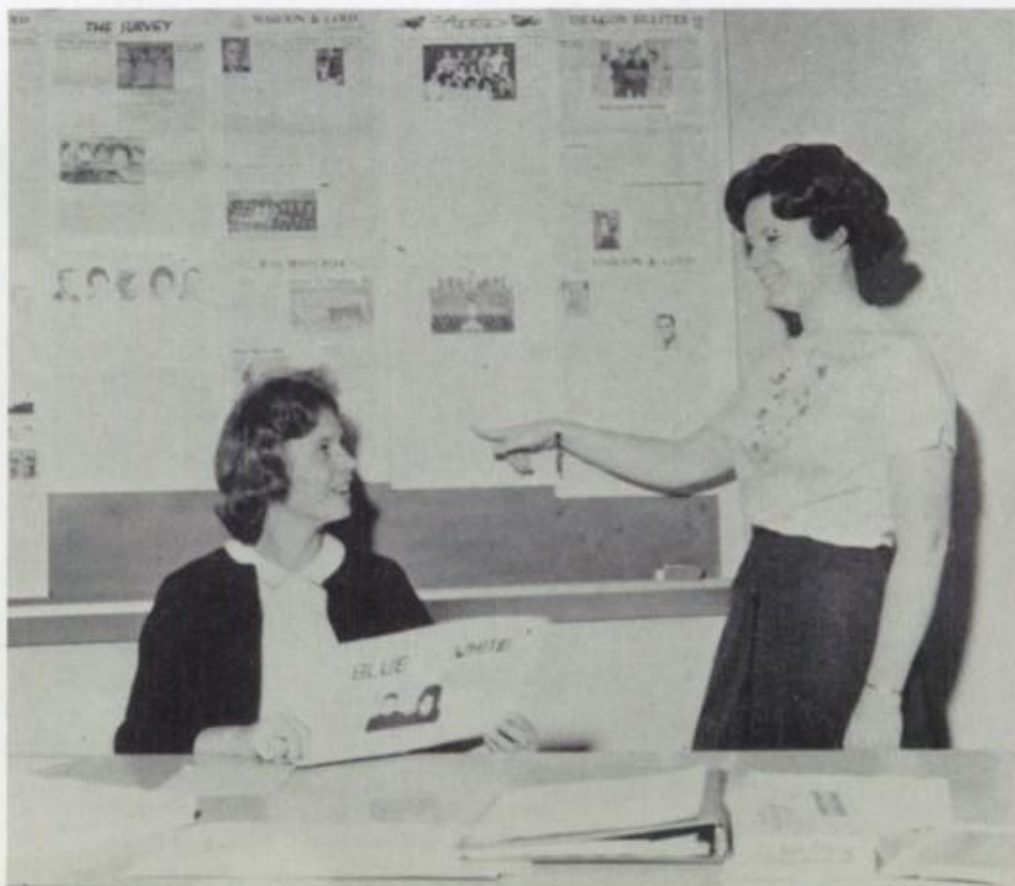

Sports Editor, Dave Houck and Jim Ross, kept the student body (and faculty) well informed on all the sports events.

Sandra Grassley was the head typist for the Student Times.

The Blue and White page of the newspaper was under the supervision of Stevonn Fecher and her assistant, Bonnie Zeek. This was a bi-weekly report of all school activities at B.H.S. to the town of Berwick.

The difficult job of putting together the Student Times was well done by the Blue and White staff under their advisor, Mr. Rhodes. Each issue was enjoyed immensely by the students of B.H.S.

Exchange editors Linda Jones and Jo-Ann MacHutchin examine various school papers in their constant attempt to improve our Blue and White.

Editor Stevonn Fecher and Assistant Editor Bonnie Zeek inspect the type for their next week's Enterprise page.

Quill and Scroll

International Honorary Society for High School Journalists

Mr. Rimple tells Sports Editor Dave that Assistant Sports Editor Jim is four pounds overweight.

Band

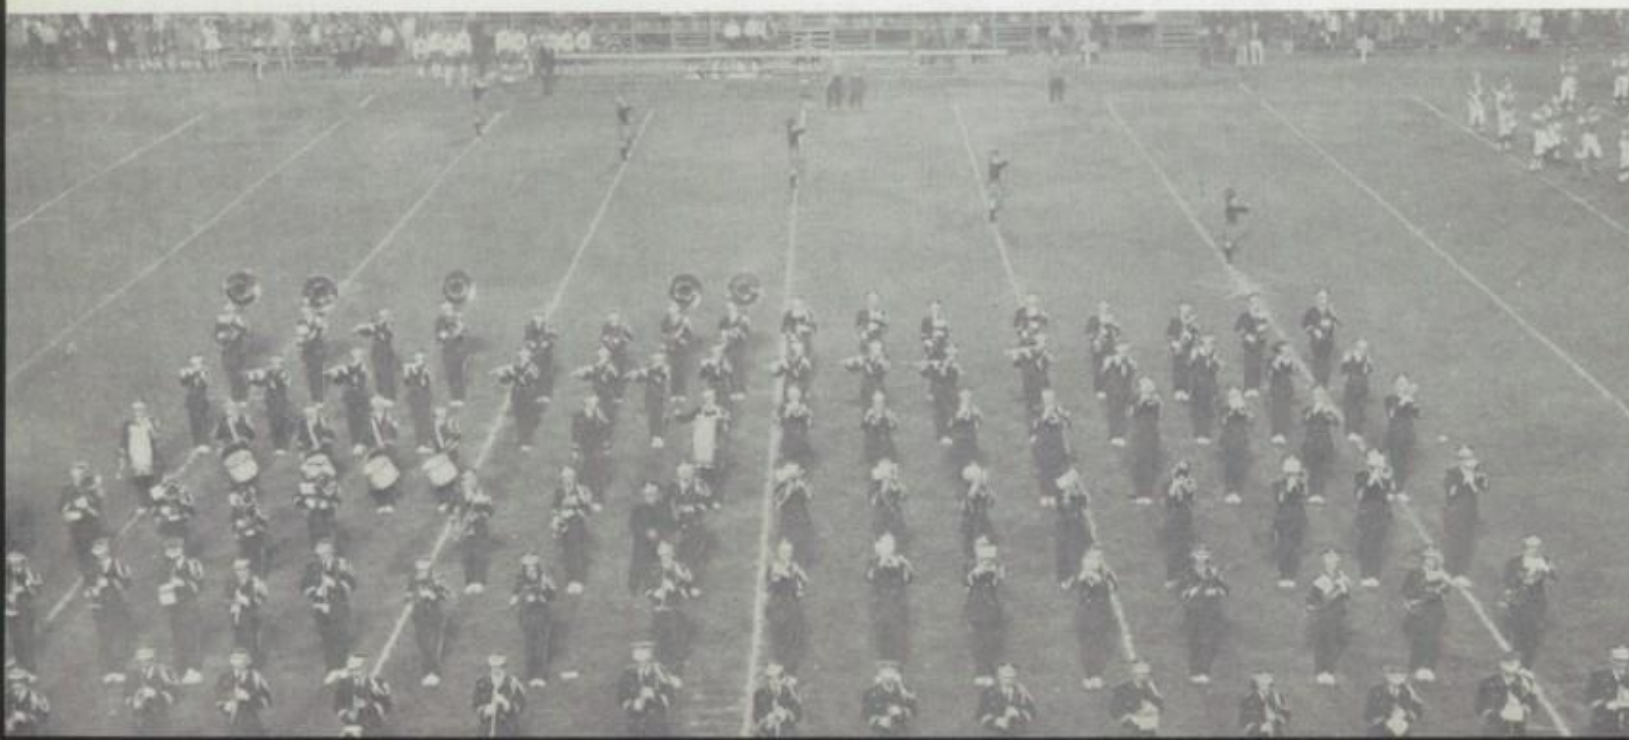

R. R. LLEWELLYN
Director of Music

As we look back on the past school year, we find work and pleasure many times mixed. So it was with the band. There was success in the concert hall and on the football field, and for the band members it was exciting. Professor R. R. Llewellyn, our splendid and unyielding director, made possible a profitable and rewarding musical year.

Near the end of last year's school term, the band participated in an Exchange Concert Program with the Red Bank Band from New Jersey. This program was very successful and it helped to earn a good reputation for the band of B.H.S.

With the new school year came the thrilling half-time shows at the football games and the band's excellent performances at the home basketball games.

The Annual Spring Concert came next on the band's program. It was a proud day in mid-April when the band gave its splendid performance. The Berwick Band then went to Red Bank before hitting the highlight of its musical career -- the World's Fair in New York City. The B.H.S. Band went to the Fair late in May and spent Memorial Day holiday in New York. It was a wonderful experience which closed the activities of the band.

The band thrilled the fans at the football games by their precision field marching.

TWIRLERS: Mary Lou Martin, Andrea Martin, Connie Keller, Ann Dalto. COLOR GUARD: Kathy DiPippa, Elaine Kolnik, Pennie Melchiorre, Paula Simon, Kathy Fetterman. ROW ONE: Roy Taylor, Diane Sinibaldi, Linda Sink, Muriel Wilson, Sue Butler, Ann Brosious, Muriel Shotwell, Francine Farver, Connie Steward, Peggy Sutliff, Dotty White, Jeanne Campbell, Betty Henrie, Rebecca Stout, Jim Taylor. ROW TWO: Joyce Jarrard, Jean Kline, Randee Belles, Nebbie Snyder, Carol Budman, Pat Ashworth, Claudia Edwards, Pamela Schain, Carol Kurlish, Judy Fetter, Janet Fetter, Virginia Green, Gregory Brown, Frank Straub, Larry Dollman, Doris Webb. ROW THREE: Kay Sorber, Barbara Nagy, Stevonn Fecher, Scott Daley, Wayne Vandermark, David Mittleman, David Messenger, Joe Vezendy, Harald Albertson, Harvey Korngold, Roger Lenowsky, Janet Fulmer, Christine Cook, David Jackson, Don Bower, Blaine Lohman. ROW FOUR: Frank Taylor, Charles Celli, Richard Wamba, Doug Beish, Larry Grant, Dave Houck, Bill Messenger, Dick Dent, Fred Mack, Scott Caroy, Jim Smith, Clee Ridall. ROW FIVE: John Strong, Wayne Naus, Gary O'Neil, Mark Steinruck, Ron Kmetovicz, Raymond Stout, Tim Foley, Lloyd Benscoter, Steve Shanno, Don Schrader, Ron Kishbaugh. ROW SIX: Larry Varner, Wayne Boston, Jim Smith, Gayle Steward, Jeff Snyder, Craig Sponenberg, Bill Patrick, Tom Dent, Mike Saltasia. ROW SEVEN: Charles Webb, Jim Schrader, Roger Binkley, Richard Shotwell, Jim Laubach. MAJORETTES: Connie Border, Gloria Janisik.

Our Twirlers show their spirit cheering for the team following a touchdown.

"My name is Tammy Tyree." Conversation between Tammy, Sharon Bittenbender and Professor Tom Freeman, Ken Emkey.

Dramatics

The work chosen for the senior play this year was "Tammy Tell Me True." A comparatively large cast made a fine presentation before a very appreciative audience which almost filled the auditorium.

Mr. Fletcher directed the play, assisted by student directors, Mary Ann Bittenbender and Kathy Kabach. The principal roles were filled very competently by Sharon Bittenbender, who played Tammy, and Ken Emkey, who took the part of Professor Tom Freeman. Other important characters were played by Steve Dipippa, Bonnie Beck, Bill Patrick, Katherine Matzko and Carol Young.

The plot dealt with the trials and tribulations of a young, green, shanty-boat girl who decides to attend college. After many setbacks, snubs and disappointments, she finally wins, falls in love with the hero, and the villain gets his just deserts.

Natalie Neddoff opened the production with a fine rendition of the title song. She was accompanied on the organ by Jackie Samsell. For the cast it was the culmination of weeks of sustained effort, and every member did a magnificent job.

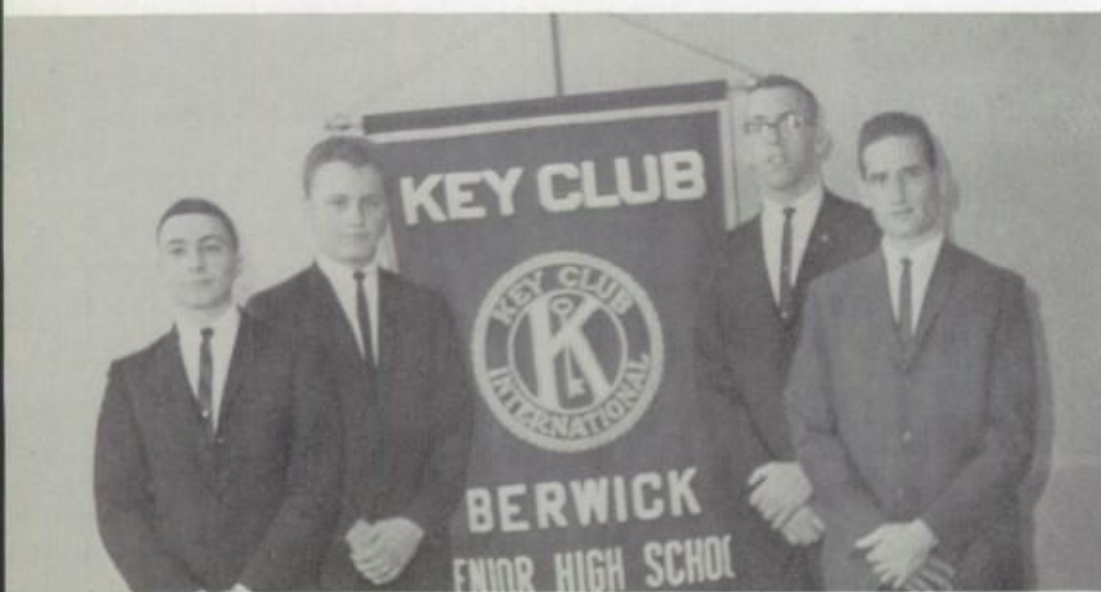

"Pete, a girl was asking about you." Rita, played by Bonnie Beck tells Pete played by Steve Dipippa, about Tammy.

Joey waits for a 'bite'
watched by Rita and Pete.

"Maybe the catfish are
biting." Joey, Keith
Lancaster, with Tammy
and Mrs. Call, Katherine
Matzko.

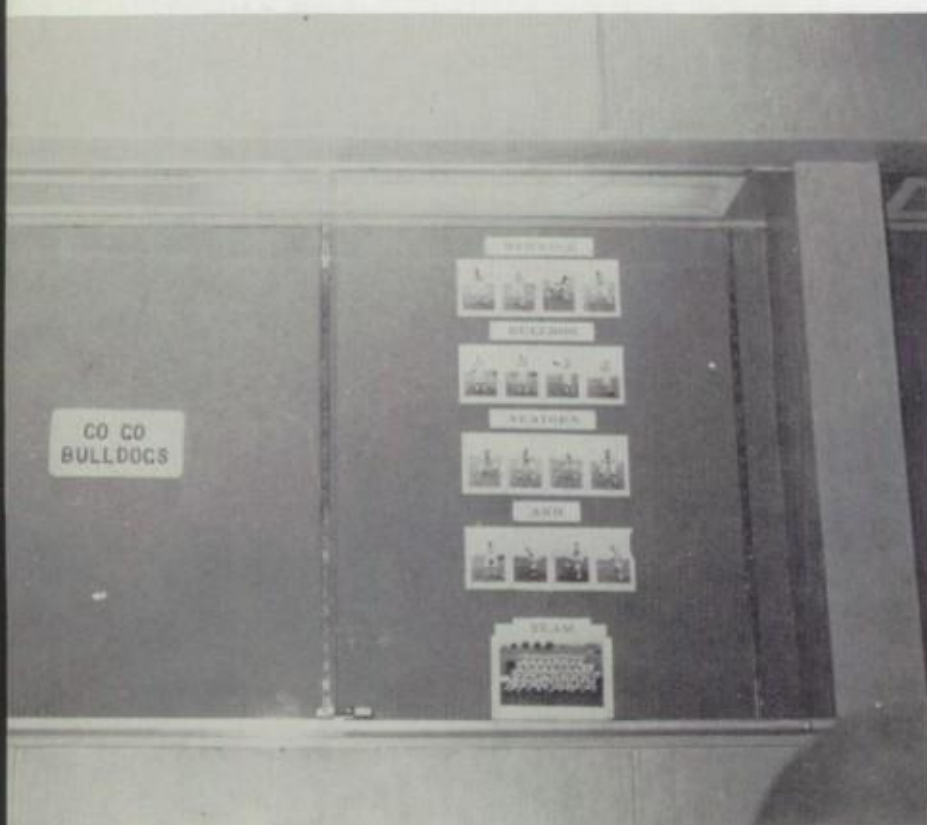

The officers of the Key Club are as follows: Tony Nespoli, secretary; Fred Valentino, vice-president; Jeff Snyder, treasurer; David Houck, president.

Key Club

The Key Club is an international service organization of high school boys. The Berwick Key Club is one of the 2,549 clubs of Key Club International and the 25 boys are but a fraction of the 66,246 in Key Club international. Key Club then is divided into districts and divisions. Berwick is part of the Pennsylvania District and Division 14.

The club is mainly a service organization to the school, the church, and the community. Among the projects you will find in which the club is aiding the school are sponsoring buses, general maintenance, teachers name tags, donations of money and many others. For the community the Key Club has collected money for Heart Fund, Cerebral Palsy, and Muscular Dystrophy Drives, as well as assisting in the United Fund campaign. The club also aids in church projects and attends church monthly as a group. The organization also sponsors many fund-raising projects to support its services. The Berwick Key Club has led its Divisions for the past several years.

One of the many fine projects of the Key Club was selling "Go Go Bulldogs" license plates. One is shown here in one of the art display windows at B.H.S.

Whistle while you work boys!

Keyettes

The Keyettes Club is one of the most outstanding organizations to which a girl can belong. A girl is elected to the Club on a basis of her high scholastic average, citizenship, and character traits. Each year only a certain percentage of girls from each class are chosen for membership.

The Keyettes consist of about fifty girls who do their best to serve their school and community. The Club is sponsored by the Women's Civic Club. This year Mrs. Barbara Berlin served as faculty advisor, along with Mrs. Crystal Canouse and Mrs. Horsedield from the Civic Club.

Meetings are held twice a month at the school, and board meetings are held whenever necessary.

This year all of the new members were initiated at Ber-Vaughn Park. The Keyettes are busy with service projects every season of the year. At Thanksgiving time, a basket was prepared for a nursing home; and at Christmas, the Keyettes held a party for underprivileged children. This Easter, as every Easter, the Service Committee outfitted two needy children with Easter clothing.

The Keyettes also engage in many money-making projects to finance all their services. This year, the Keyettes sold shakers and bows at football games, held a bake sale, sponsored a Christmas dance, and sold plastic yearbook covers.

Linda Jones, secretary; Jackie Kemp, president; Mrs. Berlin, advisor; Gloria Janasik, vice president; Judy Bower, treasurer.

These children are all having a wonderful time talking to Santa Claus at the Keyette's Christmas party.

And what do you want for Christmas?

Some of the children that attended the Keyette's Christmas party are shown as they enjoy the refreshments.

Girls' Chorus

ROW ONE: Left to Right, Glenda Fenstermaker, Camille Martelli, Nancy Seybert, Connie Plensner, Natalie Neddoff, Jinny Foster, Kathy Levan, Jackie Samsel, Bonnie Bower, Cathy Kalbaugh, Kay Gass, Sharon Gunther, Carol Johnson, Linda Yachimowski, Bonita Uram, Marie Moore, Carol Michael, Darla Watts, Maryann Bittenbender, Bettie Detjen. ROW TWO: Edyth Dendler, Emily Cooke, Debbie Schuyler, Beth Ann Kupsy, Sharon Bittenbender, Jacki Kemp, Bonnie Harvey, Susan Bobersky, Kay Oblosser, Gloria Banyas, Nanette Neddoff, Karen Richards, Sharon Brown, Debby Dry, Dawn Andress, Nancy Wark, Brenda Eyerly, Holly Dietterick, Maria Pellegrino, JoAnn MacHutchin, Madeline Basci, Jean Watkins, Pam Munson, Mary Sacco, Diane Butera. ROW THREE: Anne Ametti, Pat Hoze, Bonnie Simchock, Donna Hunsinger, Sally McNinch, Judy Dietterick, Gloria Holaday, Kathy Leddick, Virginia Yachimowski, Sonya Pypiak, Sherri Samsel, Winnie Neilson, Jane Fahringer, Barb Malatesta, Lynda Jones, Sue Villa, Sharon Avery, Beth Wolfe, Janet Clewell, Nancy Grifasi, Barb Neuhard, Cindy Lewis, Bonnie Hampton, Karen Edburgh, Diana Wilson. ROW FOUR: Jean Kline, Joan Molnar, Bonnie Zeek, Barb Nagy, Linda Kacyon, Carol Benintende, Bonnie Beck, Carol Moore, Linda Hanus, Louise Meeker, Pat Muraski, Jean Jarrard, Linda Sadock, Linda Adams, Ellen Marquand, Claudia Kubitsky, Rita Randecker, Mary Jane Hess, Toni Formando, Linda Benjamin. NOT PICTURED: Paulette Carlson, Donna Kishbaugh, Janet Nagy, Fay Rinehimer.

Girls' Chorus

R. R. LLEWELLYN
Girls' Chorus
Band
Director of Music

The Girls' Chorus, under the capable direction of Mr. R. R. Llewellyn, has become one of B.H.S.'s finest attributes. Hard work and diligent practice are required by this organization. The Chorus, which consists of approximately a hundred girls, meets one hour each day. During this time, the girls become acquainted with religious, seasonal, classic, novelty, and popular songs.

The highlights of the year for the group were the Christmas Carol Sing, and the Annual Spring Concert. This concert brings to a close all of the hard work and patience called for during the year.

Mr. R. R. Llewellyn, better known as "Prof," is able to produce wonderful effects in the songs. He works hard for perfection and in the end he achieves it.

The "Modernaires," a select group, performs at various clubs and organizations. They devote a lot of time to their singing and deserve much praise for all their many accomplishments.

The full complement of the officers of the chorus are: Carol Benintende, Librarian; Mary Sacco, Librarian; Carol Moore, Accompanist; Kathy Kalbach, Secretary; Bonnie Hampton, President; Bonita Uram, Vice-President; Beth Ann Kupsky, Treasurer; Madlyn Basci, Librarian; and Jo-Ann MacHutchin, Librarian.

The main officers of the chorus are: Kathy Kalbach, Secretary; Bonnie Hampton, President; Beth Ann Kupsky, Treasurer; and Bonita Uram, Vice-President.

The Modernaires, who are the best singers in the chorus, pose for a picture outside the music department.

Aquatic Club

This year a new club was formed at BHS which gives students a chance to develop their bodies and, at the same time, to belong to a worthwhile organization. There are many students in the high school who enjoy swimming. This club gives them an opportunity to demonstrate their ability and, at the same time, benefit by the value of the exercise offered by the sport.

The meetings of the club are held at the local YMCA. They consist of a short business meeting, followed by a swim at the pool.

Mr. Nash, a teacher at the school, serves as advisor to the club. The combined efforts of students and advisor make for an enjoyable and physically beneficial group.

Connie Stevens, vice-president of the council is conducting a meeting in the absence of Pres. Ed Burtsavage.

Student Government

The Student Government is probably the most active organization in our school. Under their advisors, Miss Matzko and Mr. Rhodes, the group has presented many interesting programs in assemblies and sponsored many school activities.

One of the many occasions sponsored by the Student Government is the homecoming event, during which the king and queen, along with their court, are presented to the student body.

Members are elected in each home-room at the beginning of the school year. A representative and an alternate are selected to attend regular meetings which are held twice each month. The representatives act as reporters to their home-rooms and keep the students informed as to the activities of the Student Government.

The Student Government has added much to the school and has been very capable in its undertakings.

Boys' Chorus

This school year saw a new organization come into being; the boys' chorus under the direction of Mr. Bertola. The new group, to use a well-worn cliché has been a 'howling success.' Over thirty boys have combined to produce some surprisingly sweet sounds in assemblies at Christmas and in spring.

The participants have each given up their transition period after lunch to practice with 'Mr. B.' Their appearances have all

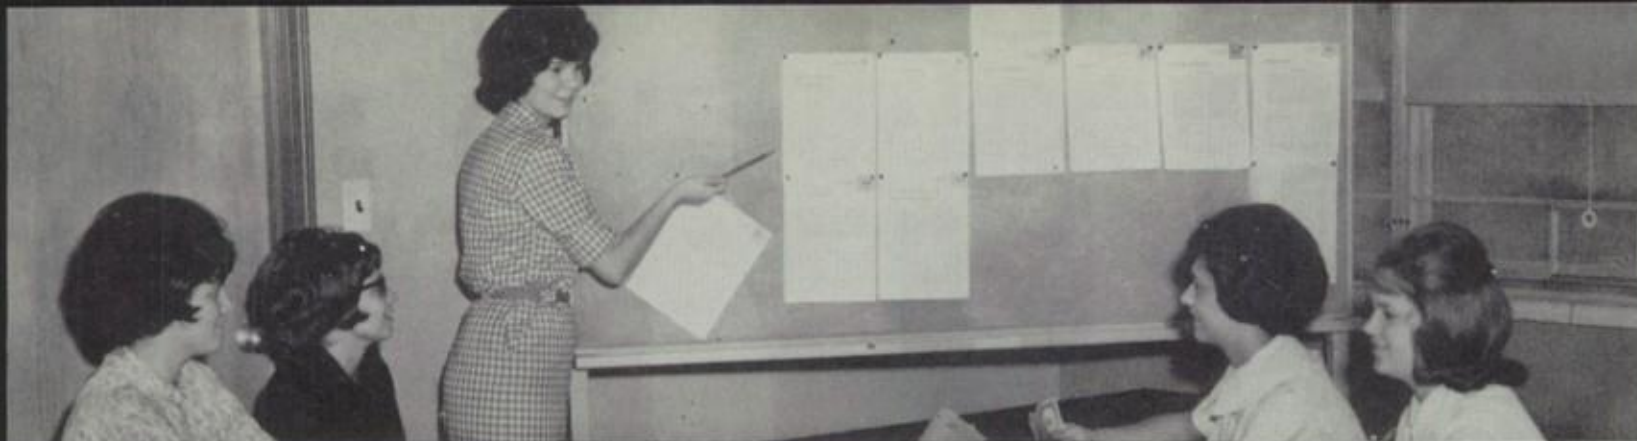

been in conjunction with the rather more experienced Girls' chorus whom they have matched in enthusiasm if not in polish. The group is blessed with two fine accompanists in Mark Steinruck and George Fox who are at home either on piano or organ.

After such an auspicious start, the Chorus can look forward to many years of existence.

The officers, responsible for the smooth running of the organization are; Mark Steinruck, Secretary, Steve Mihaly, Treasurer, Jim Ross, President; Steve Molnar, Vice-President.

Delta Sandra Milazzo, secretary; Rose Klingerman, vice-president; Catherine Kalbach, president; Crystal Rutski, treasurer; Bonita Uram, chaplain.

Tri-Hi-Y

One of the largest and most active organizations of our school is the Tri-Hi-Y. It has a membership of approximately 180 junior and senior girls. The club is divided into four chapters: Alpha, Beta, Gamma, and Delta. Each chapter has a membership of 45 girls.

Meetings are held twice each month at the Y.M.C.A. The programs are varied and topics are numerous.

Each chapter has its own service proj-

ects. However, during the Christmas vacation, the chapters jointly sponsor the Sno-Ball. The theme of this year's dance was "Mistletoe and Memories." It is one of the highlights of the school year.

Tri-Hi-Y is greatly enjoyed by all of its members and they work to create, maintain, and extend, throughout the home, school, and community, high standards of Christian character.

Beta

Diane Jurbala, vice-president; Jean Dunn, president; Lynda Jones, secretary; Bonnie Beck, treasurer; Sara Foulk, Chaplain.

Alpha

Ellen Marquand, vice-president; Brenda Eyerly, president; Kathy Fetterman, secretary; Nancy Wark, treasurer; Kathy DiPippa, chaplain.

Gamma

Joan Molnar, vice-president; Cinthia Whitmire, president; Barbara Jurbala, secretary; Roseanne Magrone, treasurer; Sheryl Heckman, chaplain.

The officers of Hi-Y go over the notes of their last meeting. They are left to right, John Rough, Treasurer; Dick Search, Vice-President; Ken Emkey, President; and Carl Spangler, Chaplain. Charlie Brobst, Secretary, was absent when the picture was taken.

Hi-Y

Under the sponsorship of the Y.M.C.A., the HI-Y club upholds its motto faithfully; "To Maintain, Create, And Extend Throughout The Home, School And Community, High Standards Of Good Christian Character." Among the club's various activities it annually sponsors the victory dances at the Y after the football games.

With regard to the school, the HI-Y donates a substantial amount to the school library. It aids the community by contributing to the United Fund, and numerous other Y.M.C.A. benefits. It also donates money to the Berwick Public Library and distributes baskets to needy families during the holiday season. The necessary funds to cover the costs of these services are obtained by the selling of candy mints and from the proceeds of the Victory dances. This year there was a majority of football games at home and our many victories made the many Victory dances happy occasions.

The HI-Y club has been advised by Gene Search for the past thirteen years. This club receives great honor for fulfilling its objectives with diligence.

The officers of FHA are left to right, Dorothy Folk, vice-president; Verna Berlin, assistant secretary; Karen Hess, president; Sandra Fetterman, chaplain; and Robert Hampton, treasurer.

Future Homemakers of America

The purpose of FHA is to promote a growing appreciation of the joys and satisfaction of homemaking, to emphasize the importance of worthy membership, to encourage democracy, to promote international good will and to provide wholesome individual and group recreation.

Miss Florence Shaffer, home economics teacher, serves as advisor to the club.

Several of the projects of the organization were a skating party, a hoagy sale, preparing cookies for convalescent homes and making over old toys for needy children.

The Future Homemakers of America have become one of the school's outstanding organizations and have donated their time and talent to the welfare of the members, school and community.

Heather and Marian are seen sewing a hem on one of the school sewing machines.

Camera Club

The Berwick High School Camera Club is one of the newer organizations at the school. The club was organized for the benefit of those students who enjoy taking pictures and the other aspects of photography. Mr. Chester A. Nolte is the adviser of the club. He instructs the students in better techniques of taking pictures. He also teaches them to develop their own pictures.

For the past two years the camera club has aided the yearbook by taking pictures for them. The club also takes publicity pictures for many school organizations and sports activities.

This year the club has taken in many new members in order to diversify its membership. With this new increase in membership and the learning of new techniques the club should become an even finer organization.

Kay and Connie inspect pictures after they have come out of the drier.

The officers of the club are: Connie Jarrard, President; Dawn Buhay, Vice-President; Donna Hummel, Secretary; and Carol Long, Treasurer.

Donna and Carol are inserting pictures into the drier.

Officers of the Business Education Club are as follows: Sheila Morris, president; Bonnie Bandics, treasurer; Miss Coolbaugh, advisor; Paulette Kemp, vice-president; Blake Dietterick, chaplain; Bruce Beaver, secretary. Marian Smith, publicity chairman was absent when the picture was taken.

Business Education Club

The Audio-Club is in its first year of operation and is affiliated with the School Projectionist Club of America. Meetings are held after school the first and third Tuesdays of each month.

The objectives of the club are service to the school and the learning of operation and maintenance of projectors, sound producing equipment, and the preparation of teaching aids. The organization orders, schedules, and sets up films, recordings, etc., as requested by the teachers.

The Business Education Club is a new organization in the Berwick Area Senior High School. It was created for students in the business course to afford them the opportunity of a unique organization, to learn new facts and techniques, and also to understand requirements necessary to qualify for business schools.

Meetings are held once a month during school hours. All that is necessary for membership is that the student be enrolled in the business curriculum.

Thus far we have had Mr. Ronald Tremmane, a representative from IBM Data Processing, and Dr. Towmey, Director of Business Education, Bloomsburg State College, as guest speakers. Future field trips are being discussed and planned as further activities.

Audio-Visual Club

ROW ONE: Willis Hess, secretary-treasurer; Arthur Steiner, president; Wayne Longenberger, vice-president. ROW TWO: Daniel Knelly, Richard Gearhart, Barry Davis, Harold Rhone, Joseph Hutton, Nick Dubil, Dwight Cromley, Mr. Binkley, advisor. Bogart, William Lamon, and Henry Reinbold were not present for the picture.

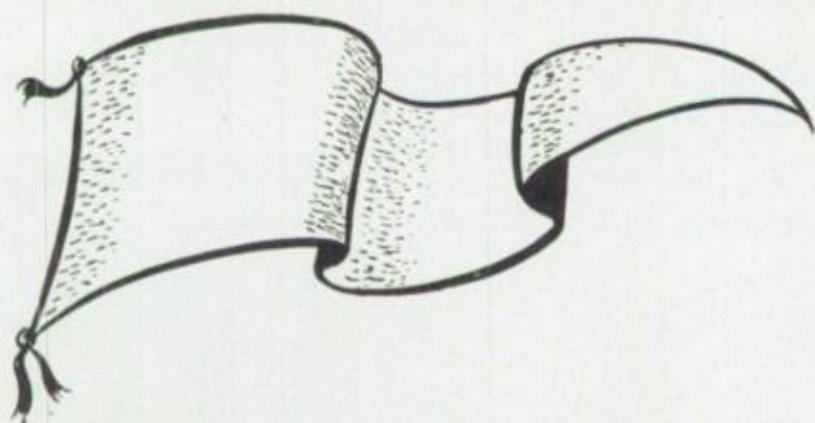

Officers of the Varsity Club are: Jim Matucci, President; Adam Sieminski, advisor; Jim Ross, Vice President; Tom DeMelfi, Secretary; and Jim Masich, Treasurer.

Varsity Club

One of the newest clubs at BHS this year is the Varsity Club. The club was organized after the football season ended in mid-November. The club was organized to obtain better fraternization between the athletes and to help the athletes set the standards for athletic training. These activities are also designed to make the work of the coaches a little easier.

At the present time the work of the club consists of obtaining advertising and information for the football programs of next year. The club is advised by football coach, Adam Sieminski.

The officers of the FTA are (left to right): Mrs. Henrie, Advisor; Judy Bower, President; Craig Thrash, Vice-President; Mary Sacco, Secretary; Natalie Neddoff, Treasurer; Kathy Matzko, Parliamentarian; Carol Benintende, Historian.

Future Teachers of America

Another newly formed club that has been chartered at the school is the BHS chapter of the Future Teachers of America. The club is under the advisorship of Mrs. Betty Henrie.

The purpose of this organization is to prepare its members, approximately sixty sophomores, juniors, and seniors, for future teaching careers by acquainting them with the pros and cons of the profession.

Meetings are held on the first and third Monday of each month after school. Probably the most important FTA project

of the year is 'Cadet Teaching Day.' On this day the senior members spend an entire day teaching in elementary or secondary schools, depending on the curriculum they intend to pursue in college.

Induction ceremonies for the officers and members of the club were held in an impressive assembly on February 28. Student Council President, Ed Burtsavage, inducted the officers and presented them each with a FTA pin, while President Judy Bower inducted the members by leading them in the organizations pledge.

Exchange Program

In the early spring of 1963, the sister townships of Berwick-upon-Tweed, England and Berwick, Pa. were brought closer together by the inauguration of a student exchange programme. Two students, Miss Kathy Fedin from Berwick High School, and Jack Moffat from Berwick Grammar School, Berwick-upon-Tweed were selected to represent their respective communities abroad.

Each student was prepared to spend a year, the present school year, at the other's home. Kathy left Berwick, Pa. on the 14th of August to board the Queen Elizabeth in New York Harbour. She arrived in Southampton, England on the 19th. Forty-eight hours later Jack flew to the United States by jet airliner.

The programme, which is to be continued next year has benefited both students enormously. Their outlook has been broadened, they have now some concept of life in the other's country, and each has made many new friends.

Kathleen Fedin, B. H. S. exchange student, pictured at Berwick Grammar School on her first day of the year.

Jack Moffat, the exchange student from Berwick Grammar School, England.

Exchange student Kathleen Fedin admires the town mace of Berwick-upon-Tweed while the Moffats look on.

ATHLETICS

The B.H.S. varsity basketball squad: ROW ONE: John Kailun, Larry Varner, Louis DiPippa, Ed Burtsavage, Barry Morocho, Dick Search, Craig Thrash. ROW TWO: Bob Fenstermaker, Jerry Skomsky, David Houck, Charlie Kalanick, Jack Uram, Tom Serafin, Ron Corona. ROW THREE: Manager Mike Kacharka, Coach Adam Sieminski, Manager.

Basketball

With three varsity players returning from last year's team, the Bulldogs of B.H.S. had a fine season. Finishing near the top in the Susquehanna League Conference, the Bulldogs were in every game all the way. All the basketball games have been hard fought, and the sport is one of the top highlights in the winter months at B.H.S.

In basketball, a team effort is absolutely necessary in order to win. The Bulldog cagers prove that they had this quality;

especially in the second half of the season when it helped them win many games. "Big Ed" Burtsavage was the top scorer for the Bulldogs. Charlie Kalanick also was a fine scorer. Fine play from Ron Corona, David Houck, and Craig Thrash was the key factor in winning many of the games. The Bulldogs provided great excitement for all the fans at B.H.S. with their great skill and athletic ability throughout the whole season.

The B.H.S. junior varsity basketball squad; ROW ONE: Jerry Vezendy, Michael Ferro, Wally Garrison, Robert Bower, Joe Nespoli. ROW TWO: Thomas Rudy, Jerry Hill, Joe Killian, Bob Cabelli, Benjamin Becker, David Middleman, Joe Fedin.

It's Search for the 'tap' at the Plymouth game.

It's Houck up for a lay-up and two points.

Corona tries to block the shot of his Plymouth foe.

Big Ed scores two of the points that made him the second highest scorer in the Susquehanna Valley League.

Cross-Country

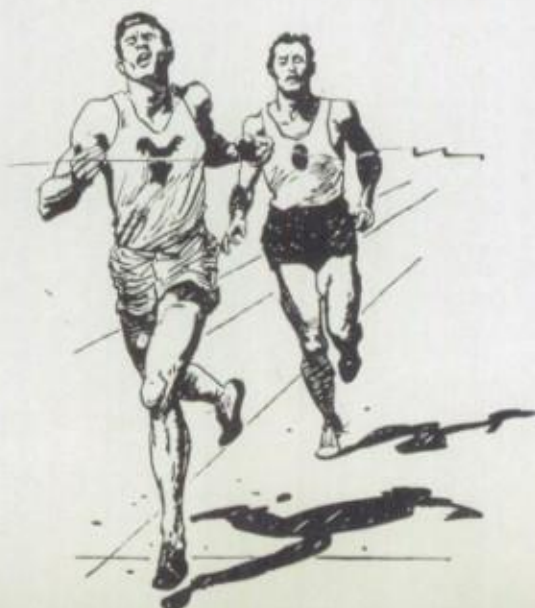

THE CROSS-COUNTRY TEAM ROW ONE: Mr. Heller, Coach, Blake Diettrick, Mark Klinetob, Ted Whitenight, Art Stiner, John Drummond. ROW TWO: Roger Binkley, Tom Canouse, Rich Seely, Mike Benza, Allan Campbell, Bill Golder. ROW THREE: Terry Boston, Bill Bretch, Jim Smith, Bob Herr, Jesse Kershner.

The 1963-'64 edition of Coach Bill Heller's Cross-Country Team completed another very successful year. Four varsity lettermen returned to lead the varsity squad. They were Dave Stoker, Rich Seely, and Tom Canouse, juniors and Art Steiner, senior.

The hill and dalers posted a fine record this year of six wins and three losses. Berwick posted wins over Mt. Carmel, Bloomsburg, Central Columbia, and Milton in dual meets. In a triangular meet held

with Bloomsburg and Central we were again the victors. The thinclads dropped a return dual meet with Bloomsburg and they were also beaten by Wilkes-Barre Meyers, and Clarks Summit. In the District Four championships that were held at Bloomsburg State College the "thinclads" placed second.

Coach Heller will have four returning lettermen to serve as the nucleus of next year's squad.

C. WILFRED HELLER
Cross-Country Coach

ROW ONE: Pete Ferro, Joe Zinich, Rich Heinzleman, Orlando Melito, Mike Roll, Jim Mattucci, Alex Yalch, Dave Eisenhower, Mike Malencore, Alfred Melito, Steve DiPippa. ROW TWO: John Calleri, Rich Matash, Ron Corona, Mike Horvat, Terry Vial, Jim Ross, Ronnie Johnson, John Kelchner, Fred Valentino, Tony Biacchi, Kip Brown, Steve Wozniak. ROW THREE: Coach Adam

Sieminski, Gary Morris, Jim Masich, Craig Thrash, Clem Martena, Jim Gormley, Steve Molnar, Tony Rado, Charlie Kalanick, Coach Gerald Hittle, Coach John Sircovics. ROW FOUR: Tony DiBattista, Jim Boyd, Wayne Snyder, Tom Serafin, Bob Hinkle, Louis DiPippa, Jim Green, Steve Mihaly, John Wozniak, Wayne Longenburger.

Football

After two years of rebuilding the Bulldogs showed a great deal of improvement with an impressive record of 6-3-2. This record does not reveal all—for the games lost were exceptionally close and could have easily gone the opposite way.

We got revenge when our team came through with a very decisive win of 54-14 over our annual rivals, Bloomsburg. In one of the most thrilling games of the season we tied the highly ranked Danville team 0-0. This game was never over until the final gun and could be ranked as the high point of the season.

The 1963 season will not be forgotten in that they left behind two records. They surpassed the school record for the number of touchdowns in a season, which was formerly held by the team of 1960. They also have the record number of touchdown passes.

The team was a big tribute to the school, in that, it left a winning attitude with the underclassmen.

Richard Heintzelman, Robert Vogt, Mike Malencore, David Stoker, David Eisenhower, Jim Green, Ted Whitenight, Blake Diettrick, Stephen Romeo, Mike Horvat, Bill Wise, Jim Stepanski, and Louis Guarino.

Track and Field

Under the capable coaching of Mr. Leo Ratamess and Mr. Richard Rimple, varsity track at Berwick High School completed its finest season since its resumption in 1960.

The Bulldog thinclads participated in seven dual meets; a Susquehanna Valley Conference Meet and a District Four Championship final.

Captain Duane Daggers was the most consistent winner for the Bulldogs. Daggers was the third Bulldog in as many years to qualify for the P.I.A.A. Championship at

Pennsylvania State University. He did this with a second place finish in the District 4 Championship final in high jumping. Other winners in this event were Mike Horvat with a third place in the shotput and Tom Canouse with a fifth place in the mile run. Mike Horvat and Duane Daggers also took first place honors in the Susquehanna Valley Track Meet.

The Berwick High School thinclads have attained an impressive record this year, while setting firm foundation for future teams.

Mr. Rimple and Mr. Ratamess are shown here with Duane Daggers who went to the state finals in high jumping.

Season Results

Shearer, Greg Price, Max Furek, Larry Maloney, Fred Saracino, James Laubauch, Tom Canouse, Mr. Rimple, coach. ROW FOUR: Rick Knorr, Jim DeFinnis, Scot Canouse, Stephen Kalanick, Jay Chapin, Daryl Jones, Tom Mattern, Dale Dent, Tom Schrader.

Wrestling

The team finished the season with a fine 8-5 record, placing third in the Susquehanna Valley Conference and second in the East-Central Sectional Tournament. The team's high point came with a victory over Bloomsburg (23-18) and a victory over Central (22-20) in the last match of the year. The team will lose six seniors. Among these are Mike Horvat with a 11-1 record and Terry Vial with a 11-1-1 record, both finished first in the Sectional Tournament. There are also Jim Ross, with a 10-3 record, who finished second in the Sectional Tournament and Ron Johnson 10-2 who finished fourth in the same tournament. Other seniors include Bill Wise, with the only perfect record 1-0, Bill Renninger, Tony Nespoli, and Richard Matash. Still the outlook for next year isn't so dim. There are good prospects in John Zeek, Rick Johnson, and Dale Dentall freshmen, Jim Halloway, Jay Chapin, and Steve Kalanick are among the sophomores. Rounding out the team are juniors Bob Hinkle with an impressive 10-1-2 record, Mike Benza, and Jerry Knouse.

Jim Ross gets two points for a take down in the Milton match.

Terry Vial appears to have the situation quite under control as he wins another match with a crushing pin.

Jim Ross battles his way to victory!

Cheerleaders have the important job of boosting school spirit! Our Berwick High School cheerleaders can always be heard at all sports events. Through victory or defeat, they led the students with cheers for our team.

The cheering squad has twelve girls, four from each class. Two boy cheerleaders were added to the squad this year. This has proven to be very successful and will be continued.

The cheerleaders have been responsible for generating much of the school spirit that has inspired many of our athletes toward victory.

Cheerleaders

ROW ONE: Holly Dietrich, Carla Eyer, Mr. Golder, adviser, Debbie Schyler, Pam Ratamess. ROW TWO: Connie Rice, Barbara Masich, "Bulldog" Van Whitmire, Beth Ann Kupsy, Nancy Wirick. ON THE LADDER: Katherine Matzko, Sharon Bittenbender, Judy Bower, Co-Captain, Sandra Milazzo, Captain, Greg Price, and Stanley Confer.

There are many happy scenes like this at Berwick football games. Here, the cheerleaders dance in a circle after a Berwick touchdown; it looks as if Greg and Stanley can hardly keep up with the rest!

ACTIVITIES

The members of the court: James Mattucci and Judy Bower, Stephen DiPippa and Sharon Bittenbender, James Ross and Carol Boone, and Ronald Corona and

Stevonn Fecher. Terry Vial was the king and Sandra Milazzo, the queen.

Homecoming

A large crowd witnessed one of the most beautiful spectacles in the history of B.H.S. on Saturday evening, December 28, 1963.

The Student Council was in charge of this event. Nominations for the King and Queen as well as for the Court were made in the senior homerooms. Sophomores, Juniors, and Seniors alike voted. The boy and girl with the highest number of votes became the King and the Queen. The next four with the highest number of votes became members of the Royal Court. The two runners-up became the giftbearers.

All of the people turned to look as Judy Bower and Jim Mattucci entered the gymnasium. They were soon followed by Stevonn Fecher and Ron Corona. Stevonn and Judy looked lovely in their dark blue velvet gowns. They carried white fur muffs with red corsages pinned on them. Still marveling over their beauty, the crowd once more looked to the door as Sharon Bittenbender and Steve

DiPippa come through it. Carol Boone and Jim Ross were the last Royal Couple to enter the gymnasium. Sharon and Carol carried muffs like the others, but had on red velvet gowns.

Finally we see Queen Sandra Milazzo and King Terry Vial. Sandra looked beautiful in her floor-length gown of white brocade. The runners-up to the court, Pennie Melchiorrie and Ron Johnson present our Queen with a red bouquet.

The Royal Couple from 1963, Miss Maxine Kalanick and Alex Dubil, returned to crown Queen Sandra and to offer their congratulations to King Terry.

The court gifts were presented by Nespoli Jewelers, Vincent's Men's Wear, and Ardis Kepner.

After the processional, the Student Council held the Homecoming Dance in the cafeteria. The music was furnished by the Scepters.

Last Year's king and queen: Alex Dubil and Maxine Kalanick.

Our royal couple, Terry Vial and Sandra Milazzo, attract the attention and awe of the crowd.

The gifts are presented to the king, queen, and court by Ron Johnson and Pennie Melchiorre. Faith and Mark Melchiorre assist in the procedures.

The royal couples and those of the court lead off the Homecoming Dance.

Bill and Jackie twist at the Homecoming Dance. Looks like fun! Eh, Bill?

Maxine Kalanick, last year's queen, crowns our queen, Sandra Milazzo.

Everyone had a delightful time at the dance while enjoying music by the Scepters.

The Prom 1963

The theme of the prom, "Magic Moments," certainly was fitting, since every moment of this evening spun magic for all those who attended. Each girl was a princess and her date was her own "prince charming." Roman columns and a fountain surrounded by a beautiful garden and a pink sky above made up this dream land. The strains of Lee Vincent's band added to this atmosphere further enhanced the wonder of the evening.

All the hard work done by the Juniors, the Prom Committee, and the Class Advisors proved our devotion to the Class of '63 and was a vivid example of our wishes for their success and happiness.

As we look back on the prom we will always see our friends young, happy, and beautiful on this lovely night in May.

The beautiful fountain in the middle of the floor added to the atmosphere of the prom.

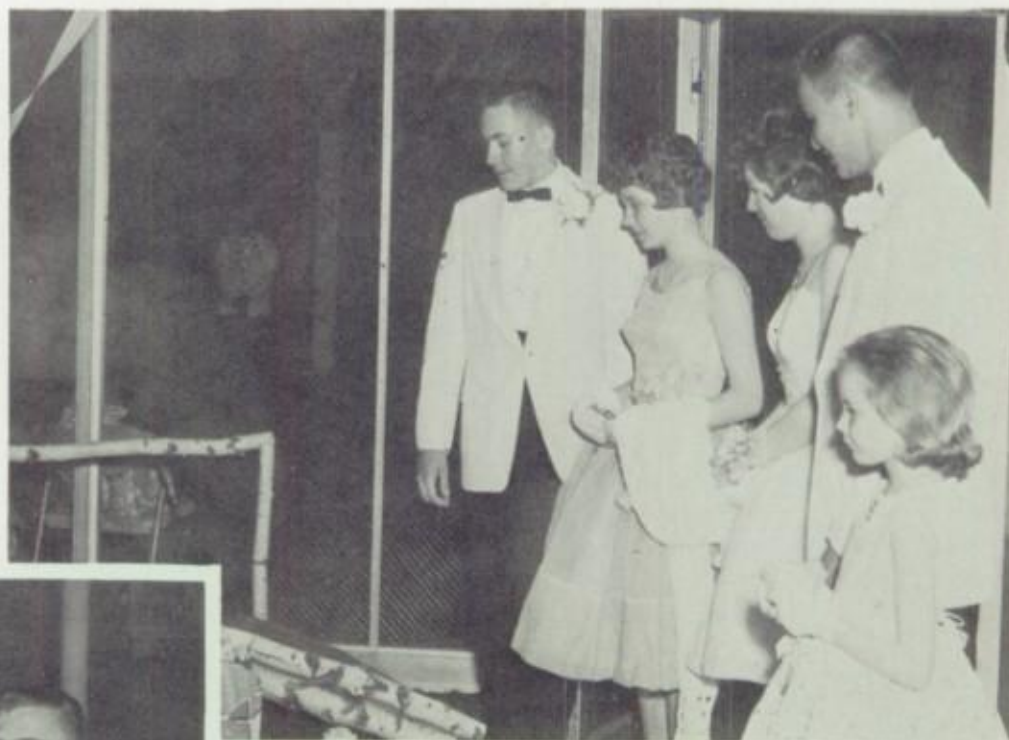

Faith and Mark Melchiorre were present to hand out the evening's programs.

Many hours of dancing were enjoyed by the many guests at the prom.

The guests were received by Faith and Mark Melchiorre, Terry Vial and Elaine Kolnik, Jim Ross and Jackie Kemp, Steve Romeo and Sandra Milazzo, Mr. and Mrs. Edward Serisky, and Mr. and Mrs. George Chebro.

A garden scene greeted the guests at the entrance to the prom.

Tony Rado, Charlie Kalanick and their dates sit at one of the many tables that were set up on the decorated patio.

Odds and

Mr. Ermish finally got around to taking the pictures of the homecoming. He has been seen all around B.H.S. taking movies for the Senior Class.

Jack Moffat, our exchange student is shown while writing in his native England. His writing talents made him a very vital part of this year's yearbook staff.

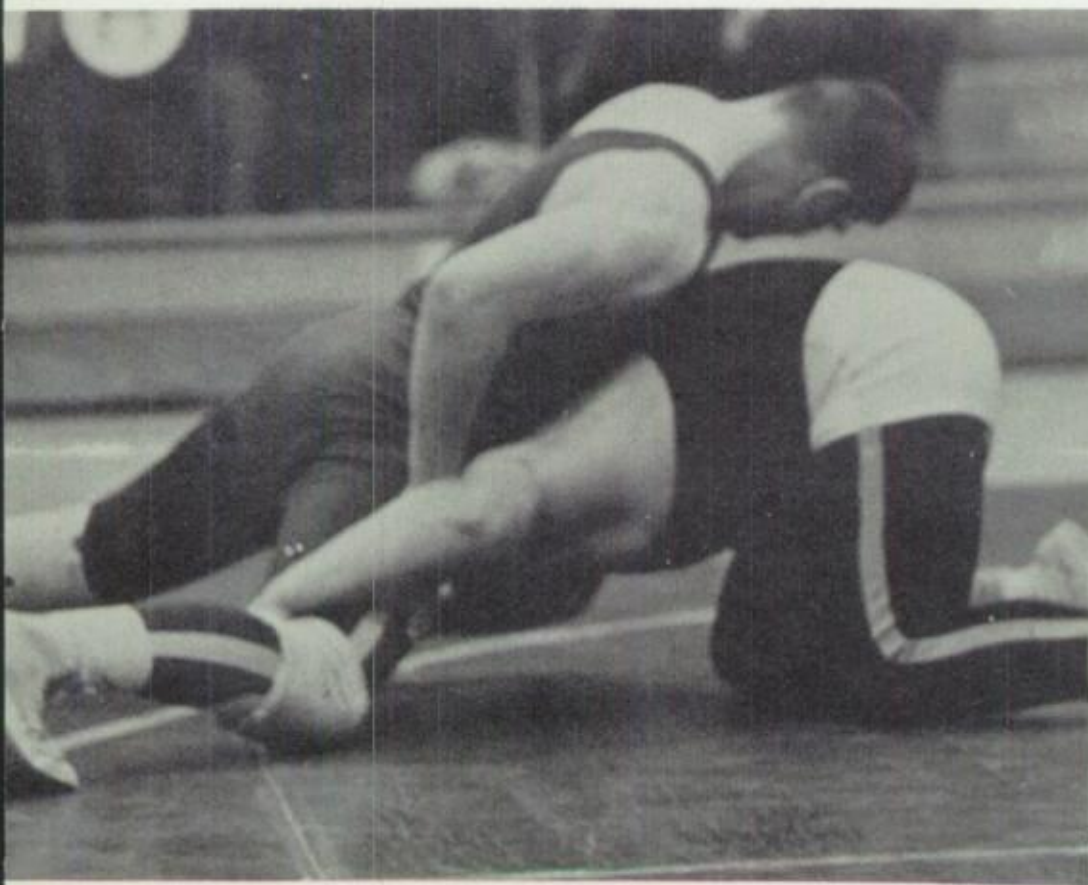

The French play was terrific again this year.

The exclusive first dance at the Homecoming.

The End

Mike Horvat, unlimited man on our wrestling squad, snapped during his encounter with Hauck of Milton. Mike was eliminated in the district finals this year, as was Terry Vial of 138 pounds class.

Ed Burtsavage jumps for the 'tap' during the game with Coal Township which, incidentally, we won.

'Those Lazy Hazy Crazy Days of Summer'?

The most charming rooting section in the area.

Alma Mater

Berwick High School, Alma Mater
Loving mother of our youth
Ever tender, ever watchful,
Teaching honor, duty, truth.
Loyal voices swell the chorus
Alma Mater, B.H.S.

Berwick High School, Alma Mater
Tho' for years from thee we part,
Yet the mem'ry of thy guidance
Will be cherished in each heart.
Pennsylvania's noblest daughter,
Alma Mater, B.H.S.

Dr. E. A. Glenn
